## We want to welcome you to the Olympia family!

We have been the Boys' and Girls' Camp Directors at Camp Olympia for over fifteen years. Being parents ourselves of two campers, we know you will be entrusting us with your most precious possession and we do not take that responsibility lightly. We are committed to providing the best possible camping experience for your child. We love camp and the benefits that it gives to children. Camp Olympia is a special place where children learn responsibility and cooperation, as well as gain independence and self-esteem. Camp builds character and values in children that help them achieve success in life.

We understand how important it is for you to be a part of your child's camping experience. Each day, we will write an update called "The Camp Connection" and post it on our website so you can stay connected with what is going on at camp. Also, we will post over 100 pictures online each day to bring home the excitement of camp to you. In this packet, we want to share with you information to help you prepare for camp as well as answer the specific questions parents ask most often. However, if you have further questions, please don't hesitate to call at 936.594.2541 or send us an email: [mmauldin@campolympia.com](mailto:mmauldin@campolympia.com) or [cmauldin@campolympia.com](mailto:cmauldin@campolympia.com). We'd love to hear from you.

Campfully,

*Michelle and Cody Mauldin*

### Our Mission:

*Camp Olympia is dedicated to having fun together,  
helping people grow in body, mind and spirit.*

We believe it is of the utmost importance that you know our values. Below are descriptions of the key words from our mission statement.

***Dedicated.** We're sold on the value of camping. The real life experience that camping provides cannot be matched for educational value. Preservation of this opportunity for future generations is a must. As we offer a program promoting adventure, challenge, fun, and growth to people of all ages, we will continue to affirm the value of camping and its many benefits.*

***Fun.** Fun keeps people coming back for more. We want our facility and program to be enjoyable for everyone who comes through our gates. We create a family atmosphere where FUN begins as an attitude and becomes a way of life. At Olympia, fun is second only to safety.*

***People.** There is nothing of greater value than human life. We consider safety our top priority in evaluating, planning, and programming for any individual or group at Camp Olympia.*

***Grow.** The physical, mental, and spiritual growth of every person at Olympia is important. We want people to leave Olympia with more esteem for God, others, and themselves, and to feel positively challenged to work and plan for a successful life. Our program and facilities have been designed with the positive growth of people in mind.*

***Body.** We encourage physical activity and new challenges throughout our daily schedule, allowing time to rest and reflect on the day's events.*

***Mind.** We provide a safe haven for working through real life situations and resolving conflict with the help of peers and counselors.*

***Spirit.** Growth at Camp Olympia is encouraged daily with a wholesome Christian atmosphere, and non-denominational Christian Vespers are offered on Sundays.*

# Information Parents Want to Know

## Opening Day Arrival

Camp's opening days are on Sundays! **Our gates open by 2:00 PM** (except for Term 2B when the gates open at 12:30 PM), please arrive between 12:30 PM and 1:00 PM. Be sure to participate in our fun Car Decorating Contest.

Upon arrival, you will be greeted at your vehicle, where we ask that you provide our staff with your check-in pass. The pass will be sent to you by email approximately a week prior to opening day. Staff members will also take your camper's temperature at that time. Then, staff members will direct you to your camper's cabin and help you unload your camper's belongings. After moving your camper into his/her cabin, you are encouraged to stop by our Welcome Area in front of our Chow Hall to talk with our Directors and pick up a copy of your camper's activity schedule. The Nurses' Station will also be open if you need to drop off any medication or speak with one of our nurses. You may also want to visit our newly expanded Country Store to shop for any last minute camp gear or any items you would like delivered to your camper during his/her stay at camp.

Bus transportation is a convenient way for your camper to arrive to camp and is encouraged. Air-conditioned, chartered buses are provided from two Houston area locations to camp. Due to the cost of the charter service, we must have fifteen (15) campers register for transportation for each location in order to provide the service. If we need to cancel the bus service due to lack of interest, we will do so seven (7) days prior to the camp session. More details regarding transportation is in the Bus and Airport Transportation Information section of this packet and the Travel form is located in the Forms Dashboard. Buses are scheduled to arrive at camp between 3:00 PM and 4:00 PM. When the buses arrive at camp, a staff member will contact you to let you know that your camper has arrived safely.

## Closing Day Departure

Each term's Closing Day is on a SATURDAY! Our gates will be open on Closing Day at 9:45 AM. Please schedule to arrive before 11:00 AM. (For SPARK Week, gates are open between 10:00 AM - 11:00 AM.) When you arrive, you will be stopped by staff members on the main camp road and be required to show identification. Your identification will be cross-checked with the approved names you listed on the Parental Authorization for Camper Pickup form (found within the online [Forms Dashboard](#)), which indicates who you have specified to be allowed to pick up your camper. Staff members will direct you to your camper's cabin, where additional staff members will be ready to help you in loading your vehicle with your camper's belongings. Then, we'll direct you to our parking area. Weather permitting, Boys'

Camp will be gathered at the softball field, Girls' Camp will be under the Thunderdome, and CLPs will be at the soccer field awaiting your arrival and check-out.

After picking up your camper, we encourage you to tour camp, visit our popular Country Store, and stay for our special Closing Day Program, including our term video at 10:30 AM. Lunch is available in our Chow Hall for your family following our Closing Day Program.

## Airport Arrival + Departure

Olympia provides convenient transportation to and from Houston's IAH - Bush Intercontinental Airport. All arrivals should be arranged between 11:00 AM and 2:00 PM on Opening Day and all departures should be scheduled between 11:00 AM and 2:00 PM on Closing Day. Transportation forms for Travel Outside the United States and Travel Within the United States are included within the online [Forms Dashboard](#). **When making your travel arrangements, please take care of the Unaccompanied Minor form and fees, and provide us with the receipt.** If no receipt is provided and camp must pay for the fee, you will be responsible for reimbursing camp (and/or responsible for obtaining the refund for double-payment from the airline). Please let us know the details of your camper's flight information by completing the pertinent transportation form. Also, please note, any camper belongings that

will require shipping from camp will incur a shipping and handling charge.

More details regarding transportation is in the [Bus and Airport Transportation Information](#) section of this packet.

## Parent Contact Information

Please confirm the accuracy of the parent contact information listed in our system by logging in via the Parent Login button on our camp website and accessing the Update Addresses/Phone Number link. For divorced families, please include contact information for the parent(s) who have custody of the camper. Please contact the camp office at 936-594-2541 or [campinfo@campolympia.com](mailto:campinfo@campolympia.com) with any questions or concerns.

Camp's closing day procedure is to check identification and then release the camper only to the parent/authorized adult noted on the Parent Authorization for Camper Pickup form found within the online [Forms Dashboard](#). **You must also identify on this Parent Authorization for Camper Pickup form if a particular parent/guardian is NOT to pick up your camper on closing day due to custody reasons.**

# Information Parents Want to Know

## Medical Care

We have two registered nurses on site during each term. They treat minor illnesses and injuries, provide a little TLC, and decide who needs to see the doctor in Trinity. Depending on the attention needed, campers may be taken to an urgent care or hospital in Huntsville, which are approximately thirty-two miles from camp. You will be contacted if your camper needs outside medical attention. It is an American Camp Association accreditation standard and a Camp Olympia policy!

Please encourage your camper to communicate with his/her counselors if he/she feels ill while at camp. Campers feeling ill will be taken to the Nurses' Station and evaluated. If your camper exhibits symptoms of a contagious illness, he/she will be quarantined in the Nurses' Station. If it is determined that your camper has influenza-like symptoms, parents will be contacted so arrangements can be made for the camper to go home until no longer contagious and is fever-free for a minimum of 24 hours.

Parents are responsible for any doctor, hospital, and/or pharmacy charges that might be incurred by their camper from illness or injury.

**Your child will not be allowed at camp unless his/her Medical Forms have been completed and received.** The Physician's Examination form must be signed by Licensed Medical Personnel and the examination should be performed within 12 months of arrival to camp.

**Your camper will not receive his/her cabin assignment, check-in pass, or be allowed to ride on any camp arranged transportation until all required forms have been received by camp.**

## Cabin Assignments

Cabins at camp are assigned by sex and age with cabins grouped into clusters (SPARK, Junior or "J", Intermediate or "I", Senior 1, Senior 2, and CLP). If you have a cabinmate request, we ask for you to submit it via email to [campinfo@campolympia.com](mailto:campinfo@campolympia.com) by May 1, if you did not already note it on your camper's application. Please limit your cabinmate request to one camper. We do not guarantee cabinmate requests, though we do our best if the requested campers are close in age. Cabin assignments will be emailed to you approximately 10 days prior to the start of your term if your camper tuition has been paid in full and all of your camper forms have been submitted.

## Regarding Phones

We want to create an unplugged environment for our campers while at camp. Campers do not have access to a phone and are not permitted to bring cell phones to camp. Instead, campers are encouraged to write home as often as possible. In fact, you will receive mail from one of your camper's counselors during the term. Please feel free to call and talk with our staff or your camper's counselor at any time for information, concerns, or suggestions about your camper's stay. When requesting to speak with a counselor, a message will be taken and the call returned at a specific time. You can reach us by phone at 936.594.2541 or by email at [campinfo@campolympia.com](mailto:campinfo@campolympia.com).

## Mail Call + Package Info

Mail Call is one of the highlights of the day! Campers enjoy receiving letters and postcards from their family and friends. However, please note that we have a NO OUTSIDE PACKAGES POLICY so parents and friends are asked NOT to send OUTSIDE PACKAGES to camp.

Any package will be returned to sender. If there is a special need or birthday, please contact the office at 936-594-2541 or [campinfo@campolympia.com](mailto:campinfo@campolympia.com). Please help us in notifying other family members and friends of this policy. Camp Olympia will continue to offer its Special Delivery Care Packages with the option to buy up to two care packages for your camper while at camp. Information for ordering one of these fun, camp approved packages is found on page 31 of this Parent Packet.

**We encourage you to write your camper frequently.** Your camper will enjoy receiving cards and emails. Camp Olympia allows you to email your camper during his/her stay at camp free of charge.

*Log in to your CampInTouch account and click the "Email" link under the "Online Community" heading.*

*From there, you have the option to send a text-only email to your camper for free.*

Please remember mail is not delivered on Sunday.

CAMP OLYMPIA  
723 OLYMPIA DRIVE  
TRINITY, TX 75862

## Vacationing Parents

Please leave your address and phone number if the need arises for us to reach you. If you have additional names to be notified in case of an emergency, please leave this with the office. If you vacation out of the country, don't forget to make allowances for time delays in sending your camper mail.

# Information Parents Want to Know

## Food

Camp Olympia takes pride in providing healthy and delicious meals for children to enjoy. Our well-balanced meals offer several food choices. Campers are encouraged to drink a lot of water and to eat salad and fruit at meals. Please indicate any allergies or dietary needs on the Medical Form within the online Forms Dashboard and on the Physician's Examination Form included later within this Parent Packet. If needed, one of our Chow Hall Managers can meet with you prior to Opening Day to discuss your specific dietary needs.

## Country Store + Merit System

Our merit system works as an incentive rather than a disciplinary measure. It is based on the theory of logical consequence. Positive behavior results in a merit received; negative behavior results in a demerit taken. This system promotes a positive environment and encourages personal responsibility.

Campers can choose to save their merits, spend them on clothing, games, toys, etc. during their weekly trip to the Country Store, or donate a portion of them to our Camp Olympia Philanthropy Club, which benefits a children's charity each year. Money is only accepted in the store on Opening and Closing Days.

Visit our online Camp Store to purchase great Olympia gear prior to camp or while your camper is at Olympia! Though camp is not accepting outside packages, orders through the Country Store will be delivered to your camper. **We recommend no more than one order per week.**

## Pictures, Yearbooks and Video

Pictures of your camper will be available for sale and our 2019 "Let's Go" yearbook will be available to order near the Welcome Area on Closing Day. Camp Olympia reserves the right to use photographs and/or video of our campers for promotional purposes. Camp Olympia will be filming and taking photographs during the camping term. Unless otherwise notified in writing, Camp Olympia may use all camper photographs and/or videos in promotional materials.

Each day we will post over 100 pictures in a password protected area so you can see camp in action! Additionally, camp will create a video so campers can relive the best moments of the summer throughout the school year.

**Please be aware that due to CLP programming being separate from the regular camp schedule, you will likely see a decrease in the quantity and frequency of photos of your CLP camper.**

## NEW THIS SUMMER!

We are excited to let you know about a new additional photo delivery service, which will allow you to have all the photos of **your** camper delivered straight to your phone! No more searching through all of camp's photos for the day to find your camper.

This **optional** service, offered by Waldo Photos, uses facial recognition to find the photos of your camper. The photos will be sent to your phone via the Waldo App with notifications when new photos are found.

## Items to Leave at Home

To provide campers with the best camping environment we can, we ask that campers **NOT** bring the following items with them to camp: **money, candy, food items, guns, knives, firecrackers, silly string, radios, iPods/MP3 players, video cameras/GoPros, laptop computers, diffusers, iPads/Tablets/Kindles/Nooks, video game players, cell phones, Apple watches/smart watches, or hoverboards.** Also, we discourage bringing expensive clothing and jewelry or valuable equipment. Since Olympia takes over 100 photos daily, posts them online, as well as gives you an opportunity to purchase pictures of your child and his/her cabin, we recommend not bringing cameras to camp. Digital cameras that are brought to camp may only be used at designated times deemed appropriate by counselors. If not used in an appropriate manner, digital cameras may be taken up and returned to the camper on Closing Day.

## Cancellation Policy

Camp Olympia requests that cancellations be made by written notice prior to April 1. If cancellations occur within seven days prior to your camp term, half of the tuition will be refunded. No deductions will be made for late arrivals or early departures. In cases where a camper is withdrawn upon doctor's orders, a refund of \$100 for each remaining day will be refunded upon request.

# Information Parents Want to Know

Camp Olympia reserves the right to dismiss any camper whose behavior is detrimental to other members of the camp community and reserves the right to not invite the dismissed camper back to camp. Any camper bringing illegal drugs, alcohol, cigarettes, e-cigarettes, Juuls, vapes, or smokeless tobacco to camp will be subject to dismissal. Any camper that leaves his/her cabin without a counselor or counselor permission after lights out will be dismissed from camp. Please refer to the Camper Code of Conduct for other conduct violations that could lead to a dismissal from camp and a refusal of future admittance. In the case of misconduct or rules violation, there will be no refund of camp fees.

## Spending Money

Camp Olympia will provide all CLP campers with snacks for the mountain prior to the trip to Colorado. However, if your child needs to pick up any essentials on the way to Colorado, they will need cash. We recommend campers bring \$50 - \$75 to cover expenses, snacks, souvenirs, and incidentals. Most places they will visit accept credit and debit cards but having some cash is advised.

Additional spending money will be needed if your camper chooses to rent a sleeping bag in Colorado for \$7/night and purchase items from the Adventure Experiences camp store. Sleeping bags can be rented for the full week (\$49) or for just the backpack trip (\$14).

## Baggage Fees

Camp Olympia will cover the first checked bag for all CLP campers. If a second bag is necessary for your camper, he or she will be required to cover the \$35/piece cost. All baggage must weigh under 50 lbs or be subject to a \$100 overage fee, which will be the responsibility of the camper.

## Travel Documents

The airport requires each passenger to have a picture I.D. for identification purposes. Please remember to bring one of the following:

- Driver's License
- Passport
- School I.D. with picture

### News

Stay up-to-date with everything happening at camp during your camper’s stay! Each day, one of our directors will post “The Camp Connection” to inform you of the events occurring at camp!

### Email – Parent to Camper

Emailing your camper is a great way to get a letter to your camper quickly. **There is no cost to send plain text emails to your camper**; however, there are “Email Enhancements” that you may choose to include in your email, which do require the use of a CampStamp (see *CampStamp details on the next page*). The Olympia staff will print off your email to your camper and include it in the day’s mail distribution if the email arrives **prior to 11 AM**. Please note that your camper will not be able to send a reply email, nor have access to use a computer.

**Email Enhancements:** You can make your emails more fun for your camper. These “Enhancements” require the use of a CampStamp, which can be purchased from the Email screen.

- **SmartWords:** Add age-appropriate vocabulary words to your email (options: elementary, middle, SAT prep)
- **Sudoku:** Add a Sudoku game to your email (three levels of difficulty to choose from)
- **Email Stationery:** Choose from a variety of fun, digital stationery to further personalize your email
- **E-letter Reply:** Add a page of E-letter stationery so your camper can send back a handwritten letter. (See details for “E-Letter Replies”)

### Photos

You will have **FREE**, unlimited access to our password protected Photo Gallery. We try to have the prior day’s photos posted by noon the following day. This feature allows you to look through all of camp’s photos for the day and tag, download or purchase a print of the favorites photos of your camper. While you might not see your camper everyday, you are likely to see your camper’s smiling face several days during the term. Olympia will post **OVER 100 PHOTOS** online every day! Encourage your camper to get in front of the camp cameras!

**Please be aware that due to CLP programming being separate from the regular camp schedule, you will likely see a decrease in the quantity and frequency of photos of your CLP camper.**

### NEW THIS SUMMER!

We are excited to let you know about a new additional photo delivery service, which will allow you to have all the photos of your camper delivered straight to your phone! No more searching through all of camp’s photos for the day to find your camper.

# Stay in Touch with Your Camper!

## *E-letter Replies*

E-letter Replies allow your camper to quickly respond to your emails or letters without using a computer. It is the fastest way for a camper to get a letter to you! *This service is particularly beneficial if you plan to travel while your camper is at camp or if standard mail from camp takes more than a day or two to arrive to your home.* Your camper writes a handwritten letter on a special bar-coded piece of stationery and turns it in with his/her cabin's mail. Our office staff will fax this bar-coded letter to the Camp InTouch system, where it will appear in your online account. You will receive an email alerting you when you have received an E-letter Reply, and you can then view the handwritten letter from your camper in your online account! This feature does require CampStamps to view the letters (see CampStamp details).

*In order to use the E-letter Reply feature, you can either:*

- 1) Send E-letter Reply stationery with your child to camp (Note: it does not cost anything to print the stationery so you will not have to commit to paying for something that your camper may not utilize.)
- 2) Attach E-letter Reply stationery to one of your emails by checking the checkbox "I would like a handwritten E-letter reply to this email." This checkbox is located just above the "Send Email" button within the Email page.

## *What are CampStamps?*

CampStamps are credits you can purchase to enhance communication with your camper. To add CampStamps to your account, click on the "CampStamps" link at the top of the Email page. Then, select "Buy More" to make your purchase. There is also an option to "Give Some" of your CampStamps. If you have created Guest Accounts for friends or family, you can give CampStamps to them.

**CampStamps are offered in the following packages:**

- CampStamps carry over from season to season, so any unused stamps will be available for future use.
- Please note that you must enter credit card information to purchase CampStamps. This CampStamps account is separate from your Camp Olympia account, and therefore, we are unable to use your card on file for this purchase.

## *Need Additional Help?*

Within each of the Email, News, and Photos pages, there is a "Help" link in the top right area. This "Help" section has answers to many of the most common questions. If you are unable to find an answer to your question, select the "Help Ticket" option and type in your question/issue to have a customer service representative respond.

# What to Bring to Camp Olympia

## Label Everything!

**Please label your camper's Full Name on everything brought to camp.**

Your camper's clothes will be laundered at least twice during a three week session and at least once during a two week session. FYI ... we discourage bringing expensive outfits, jewelry or equipment to camp. Below is a minimum suggested needs list.

Camper's should bring their belongings to camp in a **FOOTLOCKER/TRUNK NO MORE THAN FOURTEEN INCHES TALL** in order to fit underneath your camper's bed. It is fine to pack some items in a labeled laundry or duffel bag.

3 Week	Needs List for Olympia

2	sets of twin sheets (flat and fitted)

\*(Girls: two of the swimsuits should be a one-piece)

## Dress Code

In keeping with a wholesome safe environment, we encourage all campers to wear well-fitted, appropriate clothes, shoes, and swimwear. Camp is a very active environment, and at times, boys and girls will be participating together in activities.

Swimwear should provide complete coverage, fasten securely, and be designed for active wear. We encourage female campers to wear a one-piece swimsuit, however two-pieces are allowed if they have only one tie accompanied by another fastener. (Triangle bikini tops and bottoms that tie are prohibited.) Also, swim shorts are required when participating in lake activities such as blobbing and rocketing.

Colored sports bras provide adequate coverage and support, and therefore, are acceptable tops for water activities. However, in all land activities, a tank-top or t-shirt needs to be worn over a sports bra or swimsuit. Tank tops and sleeveless shirts should fit appropriately and not have large, gaping arm holes that hang down past a sports bra or to the middle of the ribs. Shorts should be of a modest length. Closed-toe shoes are needed for all land activities, and lake shoes are recommended for our lake activities.

Our staff reserves the right to ask campers to change clothes or put on additional clothing if deemed not appropriate for the active, co-ed camp environment.

Your camper can help prevent injuries or embarrassing situations by arriving to each activity dressed appropriately.

AEI Base Camp provides most of the necessary wilderness equipment for your trip. You will provide the personal items listed below. Please keep in mind that the weather in Colorado can change rapidly. Rain or snow showers are likely and temperatures can vary from 25 degrees to 80 degrees on any day in May through August. This means that wool and synthetic blends are preferred. Please try to AVOID bringing COTTON clothing. Try to bring "layering" clothes that are wool/synthetic. Synthetic means polyester, polypropylene, polartec, fleece, synchilla, capilene, etc. Storage space is limited so please keep this in mind when packing. You can wear clothing multiple times and/or for multiple days as our environment is dry and on the cooler side. Our Base Camp is around 10,000 ft. in elevation and altitude sickness is a common occurrence. Drink plenty of WATER prior to arriving, as it combats altitude sickness.

# Olympia's Health History and Physician's Examination Form

## Important Details

*Due — May 1, 2019*

There are two documents that complete the Camp Olympia Medical Information portion of the Parent Packet, the MEDICAL HEALTH HISTORY FORM and the PHYSICIAN'S EXAMINATION. The MEDICAL HEALTH HISTORY FORM is to be completed by parents and the separate PHYSICIAN'S EXAMINATION is to be completed by your physician. Additionally, Adventure Experiences has a separate health history form, health statement, and immunization form (paper based forms) that need to be completed.

The MEDICAL HEALTH HISTORY FORM can be found on the Forms Dashboard. To access the Forms Dashboard use the "Parent Login" link located on the bottom right of our homepage, [www.campolympia.com](http://www.campolympia.com).

- In completing your camper's Medical Health History, you will need their Immunization History, medications, health care providers, and Health Insurance. Once you begin the Medical History, you will have the option to "Save for Later" for up to six weeks. A great feature to the online Medical Health History is that, after you initially complete your camper's Medical History, you will be able to review and update annually.
- Make sure to input your **CURRENT** medical insurance information in the space provided and check that it matches the copies of your insurance card that you provide.
- Licensed Medical Personnel should complete and sign the Physician's Examination Form.
- Make your appointment now for your camp physical or bring your Health History and Examination Form to your next doctor's visit for completion.
- Campers must have had a **physical within 12 months** of attending camp on opening day.
- If your camper's physical is scheduled after May 1st, please send written notice to Camp Olympia giving the date as to when the Health History and Examination Form will be completed.
- Include a readable copy of the front and back of your primary insurance card on the Parent Insurance Card Form.
- Your camper will not receive his/her cabin assignment, check-in pass, or be allowed to stay at camp if we do not have all required forms.

## Health Practices

Camp Olympia is committed to providing the best possible camping experience for YOU! We are doing our best to create

a healthy, symptom-free environment for our campers. We are asking for all parents, campers, and staff to be aware of any medical condition or symptoms that could spread to members of our camp community.

Please do NOT bring your camper to camp if they are sick or exhibiting any symptoms including fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills, fatigue, diarrhea, and/or vomiting. These symptoms are considered symptoms of Influenza-Like Illness (ILI). If your camper exhibits ILI symptoms prior to camp, please do NOT bring your camper to camp until he/she has been fever-free and symptom free for at least 24 hours without the aid of any fever-reducing medication.

Additionally, please contact Camp Olympia if you were exposed to any communicable disease within 7 days prior to your arrival.

Upon arrival to camp, our medical staff will be screening for:

- Fever while parent(s) is present at camp
- Signs/symptoms of illnesses or injury (including check of ears and throat)
- History of exposure to communicable disease
- Head lice

If your camper is found to have head lice, you will be given the option to pick-up your camper for treatment or Lice Clinics of America will provide treatment to your camper here at camp for \$190. ***Please be proactive and check your camper for head lice before his/her arrival to camp.***

Please be aware that the incidence of bed bugs has affected the camping and hospitality industries. While we are proactive with inspections of our cabins, the possibility of bed bugs exists. We have an action plan in place for immediate extermination if they are detected or suspected. Keeping this possibility in mind, we recommend that families bag up campers' belongings for departure and, once home, wash all items and use the high heat setting on your dryer. If bed bugs are detected in your camper's cabin, you will be notified.

Please encourage your camper to follow good hygiene practices while at camp. Keeping hands clean is one of the best ways to keep from getting sick and spreading illnesses. It is important to wash hands with soap and water for 20 seconds. **REMEMBER:** If soap and water are not available, use an alcohol-based wipe or hand gel! There will be many available hand sanitizing stations around camp.

Additionally, we ask that you NOT share toiletry items such as hairbrushes, combs, toothbrushes, razors, and personal items such as hats and swimsuits.

## AEI Base Camp Health History Form

(Please Print Neatly)

The proposed program by AEI Base Camp requires participation in physical activities, which are, by their nature, physically demanding. Many of the activities as well as being at high altitude will challenge you, both of which can cause surges in blood pressure and heart rates. It is also imperative that you are free of any heart related or other diseases. Therefore, all participants must be free of medical or physical conditions, which might create undue risks to themselves or any others who depend on them. Good physical condition will increase your enjoyment of the outdoor activities. **As required by the State of Colorado, participants under the age of 18 must submit a statement confirming a physical examination within the last 12 months by a physician or nurse practitioner.**

# Camper Policy Agreement

At Camp Olympia, we're sold on the value of camping! The real life experiences that camping provides cannot be matched. As we offer a program promoting adventure, challenge, fun, and growth to people of all ages, we want to help teach our campers responsibility. In order to create a positive and fun community for all, campers must accept consequences for their choices and actions that can hinder the Olympia experience for other campers and staff members. Any camper dismissed for disciplinary reasons will not be invited to attend camp the following year.

The physical, mental, and spiritual growth of every person at Olympia is important. We want people to leave Olympia with more esteem for God, others, and themselves, and to feel positively challenged to work and plan for a successful life. Our program and facilities have been designed with the positive

growth of people in mind. We want everyone who enters our "Positive Zone" to have a positive, fun, and memorable experience at Olympia. Our Code of Conduct policies are important to help create a harmonious community where everyone is a part of the Olympia family. We believe that these policies will contribute importantly to producing a quality camp experience where your camper and others at camp can have an O-mazing summer. **Camp Olympia requires that every parent and camper thoroughly read, understand, and agree to abide by our camper policies.** It is important to discuss this agreement carefully with your camper(s). **This Camp Policy Agreement is an online form that requires a digital signature from both the camper and parent. Please login to the Forms Dashboard to access the online Camper Policy Agreement Form.**

## *Camper Code of Conduct Agreement*

1. I will not, at any time, be in possession of tobacco products, e-cigarettes/vapes, Juuls, drugs, alcohol, or any illegal substance. I understand that if any of these items are found on me or with my belongings that they will be assumed to be mine unless I can prove otherwise.
2. I will not, at any time, go into the cabin of the opposite sex for any reason whatsoever, nor will I go through cabin areas of the opposite sex without authorization from a counselor or staff member.
3. I understand that for my safety, it is important for a counselor to know my whereabouts at all times, and therefore, I will not leave my cabin group, cluster, activity, or camp programs/events without approval in order to meet up with others.
4. I will keep myself from physical conflicts/fights at camp.
5. I will not be a part of any form of bullying – physical, verbal, or relational. (Bullying covers a wide spectrum of actions and language, and it is Camp Olympia's discretion to apply appropriate disciplinary action based on the severity of a camper's bullying.)
6. I understand that profanity and vulgarity have no place at camp.
7. I will not damage Camp Olympia property or the property of others.
8. I understand the Camp Olympia dress code and agree to abide by the guidelines in order to help prevent injuries or embarrassing situations. The dress code is as follows:

In keeping with a wholesome safe environment, we encourage all campers to wear well-fitted, appropriate clothes, shoes, and

swimwear. Camp is a very active environment, and at times boys and girls will be participating together in activities.

Swimwear should provide complete coverage, fasten securely, and be designed for active wear. We encourage female campers to wear a one-piece swimsuit, however two-pieces are allowed if they have only one tie accompanied by another fastener. (Triangle bikini tops and bottoms that tie are prohibited.) Also, swim shorts are required when participating in lake activities such as blobbing, rocketing, and wakeboarding/waterskiing.

Colored sports bras provide adequate coverage and support and, therefore, are acceptable tops for water activities. However, in all land activities, a tank-top or t-shirt needs to be worn over a sports bra or swimsuit. Tank tops and sleeveless shirts should fit appropriately and not have large, gaping arm holes that hang down past a sports bra or to the middle of the ribs. Shorts should be of a modest length. Closed-toe shoes are needed for all land activities, and lake shoes are recommended for our lake activities.

Our staff reserves the right to ask campers to change clothes or put on additional clothing if deemed not appropriate for the active, co-ed camp environment.

9. I understand that to fully appreciate the Camp Olympia experience, which involves interacting with my cabin mates and gaining independence, I will not bring my cell phone, Apple watch/smart watch, tablet, or iPod/MP3 Player with me to Camp Olympia. Camp Olympia has the right to take up these items if found, as they are

# Camper Policy Agreement

not allowed at camp. If they are taken up, Camp Olympia does not assume responsibility for these items. \*I understand that there is one exception to this rule and that is if I am traveling to camp from the airport. I may travel with these items, but I am required to turn them in once I arrive at Camp Olympia.

10. I understand that it is a privilege to bring my digital camera to camp. With this privilege comes responsibility in taking appropriate pictures. I will only take pictures during times that are deemed appropriate by staff, such as all camp events, and I will NOT take any pictures in the cabin or bathroom. I also agree that shooting any video with my camera is not allowed. I understand that using my camera in an inappropriate manner will result in my camera being taken up and returned on closing day and may result in my dismissal from camp. I also understand that filming video and/or bringing video cameras/GoPros is not allowed at camp.
11. Finally, I understand that the consequences of not abiding by any of the above mentioned policies may result in immediate dismissal from camp and jeopardizes the opportunity to return to camp in the future. In addition to these stated camper policies, I understand that I may be dismissed from camp for any conduct that negatively affects the camp experience for another camper or reflects unfavorably on Camp Olympia.

## *Social Networking Policy*

We have always taken the safety and well-being of our campers –your children– very seriously. After all, giving your children over to the care of other people is perhaps the greatest act of trust in which you as a parent can engage. We aim to do everything we reasonably can to earn and keep that trust. We also know we cannot do this without your help. With more and more children using the Internet, cell phones, and other technologies at younger ages, we appeal to you as parents to partner with us as child advocates to ensure that your children continue to have the safest, most wholesome childhood experience as possible. We would encourage you not only to consider the following in relationship to camp, but for your family as a whole since your children are exposed to a variety of people everyday.

At Camp Olympia, our pledge is to put your children in the company of the most trustworthy and appropriate young adults we can hire—counselors who are well-suited to the task of caring for campers. The effort we put into screening and selecting our

staff is part of that pledge. During camp, our staff works with your child in the context of a visible, well scrutinized community that has many built-in checks and balances. Counselors are supervised by senior staff and are guided by clear, firm policies regarding behavior. Their actions are also visible to a community full of co-workers and campers. Our staff is hired for the camp season and is under contract at that time. After camp we cannot take responsibility for their off-season behavior since we cannot supervise it. It is the responsibility of the parent to interview and research any staff member if you want to hire him/her as a baby-sitter, nanny, or child companion outside of camp. We have great young people working at Olympia, but we want you to be an informed decision maker regarding contact between staff and campers outside of camp.

We recognize that campers and counselors develop close, trusting relationships with one another at camp and that these relationships are healthy, wholesome, and beneficial to campers and staff alike. We are aware that many campers will naturally want to keep in touch with their favorite counselors after camp. With new technologies and social networking capabilities, it is easy for campers to track down counselors outside of camp and to communicate with them. We want you as parents to be aware of this.

Therefore, our recommendation is simply for you as parents to be aware of your child's online activities, including social media (Facebook, Twitter, Instagram, Snapchat, etc.), instant messaging, video websites, (ex. YouTube), apps and email. Also, be aware of phone activities including calls, text messages, and video chats through Skype and other services. Supervise your child's phone and computer use as you would any other aspect of his/her life in your home. Likewise, we request that you as a parent or legal guardian talk with your child about what contact information you would allow them to exchange with a camp staff member or other campers. In sharing contact information with a staff member or camper, you understand that you accept full responsibility for overseeing whatever contact occurs as a result.

We want to partner with you, the parent, in keeping children safe by being proactive in communicating our policies and offering advice on how to address this important topic with your child.

**Please indicate that you have read and agree to this Camper Policy Agreement by logging in to your Parent Account. The "Parent Login" link is found at the very top of our website [www.campolympia.com](http://www.campolympia.com).**

## CLP at Olympia

While at Camp Olympia, the CLP groups will participate in many of the programs they know and have loved through the years. Some of these include COLOCO, Overnight, Movie Night, Talent Show, and Carnival. In addition to these, the CLPs will enjoy some new experiences as a group that are outside the program and schedule of the rest of camp. Please make yourself familiar with the unique aspects of CLP by reading the following descriptions.

Should you have any questions about the program, you may contact Stefanie Faber ([sfaber@campolympia.com](mailto:sfaber@campolympia.com)) who is our Assistant Director in charge of CLP. Stefanie was a counselor for our CLP program for many years, which included traveling to Colorado and participating in all the outdoor activities there. She is very familiar with everything the group will be doing and is a great resource for information.

### *Lifeguarding*

During the first week here at Olympia, the CLP group will be led in lengthy training and preparation for certification tests. Participants who successfully complete the Lifeguarding course receive an American Red Cross certificate for Lifeguarding/First Aid/CPR/AED, valid for 2 years. With these certifications, they are eligible to apply for our O-Crew program the following year and lifeguard for Olympia. They may also choose to obtain other lifeguarding jobs outside of camp.

### *Solo Time*

Solo time is a 15 minute time that is built into the CLP schedule each day. During this time, the CLPs are encouraged to find a quiet place, while still visible in the main part of camp. Solo Time is meant to be spent alone to engage in silent activity such as reading, writing letters, and journaling.

### *Conditioning*

It is important in the time leading up to the trip to Colorado that the group participates in some conditioning exercises. Physical fitness can help develop the endurance for the backpack trip up the mountain. It can also help them get acclimated to the higher altitude. Some of the fitness activities that the CLP group may participate in are jogging, yoga, aerobics, and core strengthening workouts. They will also play games like Ultimate Frisbee and Speed Softball while wearing their hiking boots in order to break them in before the big hike!

### *Counselor Shadowing*

Many of our campers who go through the CLP program go on to be O-Crew and then counselors themselves. During CLP they may have the opportunity to “shadow” our counselors and assist them in teaching activities as well as coaching Spartan/Athenian. This is great experience for them and a chance to see camp from a different perspective.

### *Service Project*

CLP is all about growth in leadership! We believe that service is an important aspect of leadership so we like to give our young leaders the opportunity to give back to the community. The CLPs will get to spend time organizing and planning a carnival for the Boys' and Girls' Club here in Trinity. In groups they will plan out different games and activities for the booths before spending an afternoon at the Club with the children. Please note that this service project involves bus transportation to and from Camp Olympia to the service project location.

## CLP in Colorado

The Colorado trip takes place from the second Wednesday of the term to the third Wednesday of the term. For Term 2 these dates are June 26<sup>th</sup> to July 3<sup>rd</sup>; for Term 3, the dates are July 17<sup>th</sup> to July 24<sup>th</sup>. On travel days, you will receive emails from Stefanie Faber throughout the day keeping you updated as the group arrives at their destination. The days spent in Colorado are explained below.

### *Day 1: Travel Day*

The group will be transported by charter bus in the morning to Bush - IAH to catch their flight to Denver. Once in Denver, they will take another bus to Adventure Experiences Base Camp.

### *Day 2: Low + High Elements*

In the morning, the group will participate in low elements, which are team building activities led by the Adventure Experiences guide staff. They will strategize and problem solve as a group while encouraging each other. In the afternoon, each CLP camper will have the opportunity to traverse the team ropes course with a partner and complete the course by riding the double zip line. The power pole is another high element available to enjoy!

### *Day 3: Rock Climbing*

The CLP group will be go to a nearby rock site. There will be several different routes set up to climb with varied difficulty. All necessary safety equipment is used (e.g. harnesses and helmets), and the climbers are belayed by the AE staff.

### *Days 4-6: Backpacking*

On the first day of the backpacking trip, the three mountain groups get organized by packing the group food and group gear before beginning their hike. Then they hike most of the day, stopping for lunch. Once they arrive at the base camp of the mountain (near the tree line), they set up the tents and have dinner. Weather permitting, they will wake up and hike to the peak of the mountain the next morning. After peaking, they make their way back down to their camp site. On the third day of the backpack trip, the groups will have the opportunity to use a map and compass to orienteer their way back to Adventure Experiences.

### *Day 7: White Water Rafting*

On the last full day in Colorado, the group will go white water rafting on the Taylor River in the morning guided by Scenic River Tours. They are joined both by the AE staff and Olympia leaders. Before returning to Adventure Experiences, the group will stop and have a scenic lunch at the Taylor Park Reservoir.

### *Day 8: Travel back to Camp Olympia*

Much like the first travel day, the group will be bused to the Denver Airport. They will fly into Houston that evening and take a bus back to Camp Olympia to finish out the last few days of the term.

## High Altitude and Health

Elevations in our area can range from 9,000 to 14,000 feet. Elevations above 8,000 ft. are considered “high altitude,” where the air is “thinner” and contains less oxygen.

Each step up in altitude corresponds with a decrease in air pressure. At 9,000 ft. the pressure is approximately 3/4 what it is at sea level.

Translated: Every time you suck in a lung full of air at sea level you get all the bang for your buck. At 9,000 feet you are only getting \$0.75 worth of that buck.

High altitude affects almost everyone who climbs high. Most people will not feel the effects, but for those who do, this information will be helpful and encouraging. Some of the discomforts of climbing high include headache, nausea, fatigue, lassitude, loss of appetite, and loss of sleep. More serious signs and symptoms are loss of coordination, chest pain, difficulty breathing, and a productive cough. If you are suffering from symptoms of altitude illness, be sure to let someone on staff know right away.

Acclimation is the process your body goes through to adjust to living at a high elevation where there is less oxygen. The body needs time to acclimate, but this process varies from person to person. A healthy person should acclimatize to a given altitude within 24 to 48 hours. During this process you will increase your ventilations or breathe heavier, and your heart rate will increase significantly. After 3 to 5 days your heart rate should return to normal.

### *Change your Diet*

- Maintain a diet of 70% or greater carbohydrates and drink plenty of water (96 oz/day) and get plenty of rest 3 days prior to your arrival and during your stay.
- Restrict salt, sugar, and caffeine intake.
- Avoid sleeping pills and narcotic pain medications. These can escalate the symptoms of altitude illness.

### *Sunscreen*

- Wear a sunscreen (SPF 15 or above), and proper eyewear or sunglasses that filter out 100% UVB 99% UVA. The chance for severe sunburn increases at higher elevations because of decreased oxygen.

## Camp Olympia 2019 Activity Brochure

While CLP campers do not have individual activity schedules like the rest of camp, they will get to participate in certain camp activities as a CLP group, individually during some free time, as well as shadow our senior counselors while they teach our activities. As a result, it is important to read through the descriptions of activities offered at camp to become familiar with activities in which your CLP camper may participate.

It should be noted here that all activities include some degree of risk and many of these risks are included in each activities description to help you make an informed decision about what activities are right for your camper. There are unforeseen risks such as wildlife indigenous to East Texas, inclement weather conditions, and rough terrain. Also, heat factors in Texas during summer months are usually high. Heat, along with increased activity levels, may affect anyone who is not maintaining proper hydration. Water breaks are scheduled each day. Please talk with your camper about the importance of drinking plenty of water during his/her stay with us.

*A healthy camper is a happy camper.*

### GOLF ACTIVITIES

**Camp Olympia offers two ways for campers to experience golf: two-period Golf Class OR daily Junior Golf Academy.**

**Golf class** is a two-period activity and meets in the afternoons every other day at the beautiful Whispering Pines Golf Club. It is taught in a clinic-style setting with one PGA professional and collegiate assistants. Campers will learn the basics of the game, the rules, and the etiquette of course play. The fee for this class is \$125 for a two-week session and \$200 for a three-week session. Collared shirts are recommended. Golf clubs are available, but campers are encouraged to bring their own.

**Junior Golf Academy** involves four hours of instruction Monday - Friday in a positive learning

environment in addition to playing time available a couple of evenings a week. At the Academy, campers will be able to play at the exquisite Whispering Pines Golf Club adjacent to Camp Olympia. Beginner, intermediate, advanced, and competitive golfers are welcome at the Academy. Whether developing new skills or polishing existing ones, your camper will develop a new level

of confidence in his/her golf game. For more detailed information, please see the special section inside on our **Junior Golf Academy**. Collared shirts are required. It is highly recommended for campers to bring their own golf clubs.

### WATERFRONT ACTIVITIES

**Activities occurring on Lake Livingston - a public access lake.**

Get ready for some fun at our lakefront we call **The Point!** All waterfront activities involve participation in Lake Livingston. There are several recreational waterfront activities in which campers may participate, such as **Blobbering, Rocketing, Water Sliding, Paddleboarding, Canoeing, Log Rolling and playing on Water Inflatables.** In addition to these recreational lake activities, campers may choose **Wakeboarding, Waterskiing, Canoeing, Kayaking, and Sailing** activity classes for their activity schedule.

It is recommended that campers participating in any lake activities be comfortable in lake water and have at least a basic swimming ability.

Lifeguards are present for lake activities. Life jackets are mandatory for all waterfront

activities, with the exception of blobbering and water sliding. However, life jackets are available for these activities as well. Though our Olympia staff takes many precautions, risks on the lake do exist. Many of the risks involved in waterfront activities stem from natural disasters beyond our control: equipment problems, falls, wildlife, ignoring of safety instructions, and other conditions or events inherent in water sports.

#### More specific activity information

**Wakeboarding** has been a very popular activity at Olympia. With our competition ski boats, class includes instruction on wakeboarding and may also include waterskiing, slalom, and kneeboarding. Campers are grouped by skill level and assigned to boats, and each ski boat includes a boat driver and instructor, one of whom is a certified lifeguard. A fee (\$75 for a 2 week session and \$100 for a 3 week session) will be assessed for wakeboarding class to guarantee your camper's space in a ski boat. In an effort to find the best area to wakeboard, often times boats travel across Lake Livingston as opposed to staying close to the Olympia shoreline. There is no age minimum for wakeboarding. Campers must wear a life jacket, nose clip, and helmet while

(Waterfront Activities continue on next page)

wakeboarding.

Through the years, **Waterskiing** has been a favorite camp activity, with hundreds of campers learning how to waterski for the first time at Olympia. As with wakeboarding, campers are grouped by skill level and assigned to a boat which includes a boat driver and an instructor, one being a certified lifeguard. Campers may also be given the opportunity to wakeboard, kneeboard, and slalom in their waterskiing class. A fee (\$75 for a 2 week session

**Nose clips** will be worn while participating in the following activities on our lakefront: waterskiing, wakeboarding, rocketing, blobbing, and sliding. For more leisure lake activities, such as canoeing, kayaking, sailing and paddleboarding, nose clips will be available if requested but will not be mandatory. **We recommend that campers bring 2 nose clips with them to camp, but we will also have some available.**

## ADVENTURE ACTIVITIES

### J-JOURNEYS

J-Journeys is a class for our junior campers designed to give your 7–9 year old boy or girl an awesome outdoor adventure. During this one-period class, campers will trek through the Piney Woods, go on scavenger hunts around camp, and have a blast learning about the great outdoors.

### INTERMEDIATE ADVENTURE PROGRAM

**Intermediate Adventure**, or I-Adventure, involves both boy and girl campers ages 10–12. Intermediate campers enrolled in this activity are allowed input on the selection of their activities during the activity period. This two-period activity offers opportunities on the challenge course as well as the hikes around camp, as well as the waterfront.

### CHALLENGE COURSE

The **Challenge Course** class involves initiative games as well as low and high elements on our ropes course for our oldest campers, ages 13–16. Low elements promote teamwork, cooperation, and responsibility. During low elements, campers will learn proper spotting techniques and assist instructors with spotting.

Some of our high elements include our Double Zip Line, Climbing Wall, Power Pole, Vertical Playpen, and the **Giant Swing**. The Giant Swing is over 50 feet high and

and **\$100** for a 3 week session) will be assessed to guarantee your camper's space in waterski class. As noted for wakeboarding class, boats often travel across Lake Livingston to find the best area to waterski. There is no age minimum for waterskiing. Campers must wear a life jacket, nose clip, and helmet while waterskiing.

Due to limited boat space, we require campers to be 13 years or older in order to take BOTH waterskiing and wakeboarding.

**Sailing, Canoeing and Kayaking** classes launch from The Point, and campers learn teamwork as they enjoy paddling or sailing around the lake. Lifejackets are worn for these activities.

Campers also have a blast with **Blobbering, Rocketing, and Water Sliding**, which are available to all campers separate from the scheduled class periods. **Rocketing** involves being pulled behind a boat on an inflatable that transports four to ten people. While rocketing, it is probable that participants will fall into the water. When this occurs, pick up is accomplished as quickly as possible.

**Blobbering** is a definite highlight for most campers! Blobbering is jumping from a platform

and landing in a seat drop position onto a large inflatable (called the Blob), which is floating in the water and anchored in position. One at a time, campers jump onto the Blob and if other campers are still on the Blob, they are bounced into the air or into the water. Once in the water, the campers swim to the dock (about twenty to thirty feet). At The Point, there are TWO blobs for double the fun!

Our 100 ft. **Water Slide** is fun for all! Campers climb a spiral staircase and then rushing water assists them down the giant slide into the lake. These campers then swim to the dock (about ten to twenty feet).

is an awesome adventure that allows three people to swing at once. Campers must be 48 inches tall to ride on the swing. For the **Double Zip Line**, campers must be at least 75 lbs to participate.

Our **Climbing Wall** has 3 different challenging routes and is located on the back side of our O-Dome. You can try and master all 3! The “belay” system is used on our high elements. This involves safety harnesses and ropes to assist the campers while they climb. All high elements are “Challenge by Choice.” Campers, regardless of their activity schedule, may have the opportunity to participate in the climbing wall, giant swing, and/or zip line.

pool parties, scavenger hunts, Water Carnival, Early Bird Party, and certain Spartan/Athenian games such as water polo. Any activity in or near the water has the potential for risks to occur. All scheduled pool activities have lifeguard supervision, and we follow American Camp Association standards for use of certified staff at the pool.

### More specific activity information

**Swimming Lessons** are mandatory for campers under 10 years of age because Olympia believes in the importance of every camper being a capable swimmer. Therefore, swimming lessons will be added to their activity schedule. Lessons are optional for campers ages 10 and up, so campers aged 10–16 interested in swimming lessons need to include swimming lessons in their activity sheet rankings. If you are an older camper choosing swim lessons, be aware that this is a class that teaches basic swimming skills and mostly will include campers under age 10.

**Free Swim** is a great time to relax at the pool and visit with friends. This free time at the pool involves play time in the shallow end of the pool and on each pool apparatus: low diving board, climbing wall, trolley, 25 ft. platform, and slide. Free Swim is an activity period that is included in most activity schedules.

## TARGET SPORTS

Activities involving the use of firearms and ammunition or bow and arrows.

Target sports take place on ranges designed specifically for each sport. Activities considered target sports are **Archery and Riflery**. Plus, **Outdoor Skills** incorporates both archery and riflery. These activities are enjoyable and make good lifetime leisure activities, but involve some risk the parent and camper should consider before participating. When choosing these activities, parents and campers are encouraged to discuss the need for strict obedience to all safety regulations. Basic safety rules and safety commands are covered during the course.

**Outdoor Skills** has been developed for our oldest campers, ages 13–16. Campers who take this class may experience camp setup, environmental education, skeet shooting, using a compass, canoeing, and fishing.

## HORSEBACK

Western style riding is taught in our arena. Both regular and advanced skill classes are offered, with the advanced class covering a two-period block. Trail rides may be conducted throughout the camp grounds once riding ability has been determined.

**Horseback** is one of the activities campers select most often in their top five choices. Campers love to spend time learning about, caring for, and riding horses. Although our horses are accustomed to trail rides and arena work, all animals can be unpredictable. Be aware of this and talk with your child about the need for respect and caution around the animals.

As you and your camper decide between the **Horseback** or **Advanced Horseback**, please consider the following criteria. Campers choosing Advanced Horseback should have received an Advanced rating in a previous horseback class at Camp Olympia or during past experience demonstrated confidence around horses, form and control at a walk, trot and lope, and the ability to saddle and groom their horse.

If you choose Advanced Horseback, you are unable to choose Junior Golf Academy due to scheduling conflicts.

## LIFETIME LEISURE ACTIVITIES

Activities involving skills for lifetime activity.

**Aerobics/Yoga** is a great way to continue an exercise schedule or learn new aerobic techniques. Videos of leading aerobic specialists are often used exposing the class to several types of aerobic exercise including low and high impact, Yoga, step, kickboxing, and even water aerobics in the pool! As with all rigorous activity, you should be sure your camper is in good physical health before starting an exercise program. Aerobics is for campers ages 10–16.

**Arts & Crafts** is a very popular activity for all age groups! Whatever the project, you can bet it will be FUN and campers will be able to bring it home! Note that heat, chemicals, or sharp objects may be used under supervision.

**Biking** involves the use of mountain bikes and is another way to experience the beauty of nature through the roads and trails of camp while getting great exercise! Safety helmets are worn while biking.

**Board Games** is perfect for campers who love learning strategy, challenging others, and having fun!

**Charm** is a fun activity for campers of all ages to learn beauty tips and etiquette. They even get to practice cooking and following a recipe.

**Cheerleading** is a great way to show spirit. Campers will learn cheer techniques and routines, which may include lifts and tumbling.

**Dance** is a fun way to get some energy out, learn some of the latest dances, and enjoy some good dance music.

**Gymnastics** at camp involves flexibility and balance exercises, as well as tumbling.

**Photo-Journalism** is an activity that will allow campers to learn how to use a DSLR camera, take their own photos, and create a newsletter on the computer using desktop publishing software.

**Puppies in Training** — Campers, ages 6–12 will have an opportunity to interact with 3 puppies at camp this summer. Campers will spend time learning how to care for the puppies while on walks, give them baths, basic training for the dogs, and just LOVE on them! At the end of the summer, camper families will have a chance to bid on the puppies and hopefully take one home. Money raised will be donated to the Camper Scholarship Fund here at camp.

**Media Production** — During this 2-period class, campers will be taught how to create a movie. Campers will be instructed on shooting digital video and photographs and importing the clips to the computer. They will also learn how to edit the clips together and put their movie to music. The Media Production class is for campers ages 10–16.

**O-Sports** has the campers' favorite Camp Olympia games in one O-mazing activity! O-Ball, Spike-O, Koob, O-O, Sky-9, Topplesball, and other fun Olympia games will be taught and played during this one period activity. Your camper will learn strategy and new techniques to perfect his/her game and, of course, have a TON O' FUN! O-Sports may be added to any camper's activity schedule.

**Textile Arts - NEW for 2019.** Campers will do a variety of crafts using different textiles, string, and fabrics. They will create one of a kind personalized projects to take home as well as lifelong skills.

**Workshop** - Campers will learn how to use woodworking and leatherworking tools to create something special to take home from camp. Note that tools can be dangerous and the risk of injury does exist. Please encourage your camper to listen and abide to all safety instructions.

## FIELD SPORTS

Organized activities designed for field play.

**Football (flag), Soccer, Softball, Baseball, Track & Field, Frisbee, Lacrosse**, and large group running games use our large athletic fields. These activities are fun and a great way to stay in shape for school athletics! Of course, like with any physical activity, the potential for injuries exists.

Olympia has equipment on hand for each of these activities. If a camper wishes to bring his/her personal equipment, such as a baseball/softball glove, be sure to mark this item with the camper's first and last name. Personal equipment should be kept in the camper's trunk when not participating in an activity. Class minimums must be met in order to have a productive and efficient class.

## COURT SPORTS

Is **Volleyball, Tennis, or Basketball** your sport? Olympia has courts and equipment for all three sports. Olympia offers volleyball instruction on both a sand court and covered hard court. Basketball is played in our Olympia O-Dome and on the full-size covered outdoor court. On our covered tennis courts, campers will receive great tennis instruction to improve both their singles and doubles game. Class minimums must be met in order to have a productive and efficient class.

## EXTRA ACTIVITIES

Campers of all ages may experience these favorite activities outside of their individualized activity schedule.

**Water inflatables, rocketing, blobbing, paddleboarding, log rolling, and water sliding:** please read explanations of these activities under our "Waterfront Activities."

**Challenge Course:** please read explanation of this activity under "Challenge Course."

**Climbing Wall and Giant Swing:** please see the explanation of these ropes course elements within the "Challenge Course" section.

The **Jump Pad is an inflatable** surrounded by sand that allows for up to 30 people to jump at once so entire cabins can have fun on it together. Of course, the potential for injury exists so no flips are allowed — just LOTS of jumping!

**Mini Golf, O-O, Sky-9** and **Hammocking in the NEW Hammock Village** are fun, activities that campers play during free time at camp.

# SPECIAL EVENTS

Olympia offers many fun and exciting special programs and events, in addition to all of our great activities!

Some of these programs and events are included below.

## Special Olympia Programs and Events

**Cookouts:** What a Fun Night! Each cluster of campers (clusters are grouped by age and sex) is scheduled for one cookout per term. Olympia's Cookout site is located off of Caney Creek approximately two miles from main camp. Next to our Cookout site is a screened structure that holds up to sixty-five campers and counselors. The site is equipped with running water, electricity, and bathrooms. Campers and counselors are driven out to the cookout site where their meal has been cooked over a campfire. Of course, the meal always includes s'mores! This experience is designed for a feel of camping in the great outdoors and really promotes bonding with the other campers. During their cookout, campers and counselors participate in any number of games, including sports or tag in the open areas. Precautions are taken to ensure your camper's safety, but as with any activity in the great outdoors, risk of injury, minor or serious, is a possibility.

**Rodeo:** Campers are the stars of our all-camp Rodeo! They are selected from the horseback classes to participate in the Olympia Rodeo held during the last week of each term. Rodeo events are chosen based on the ability of the participants. Counselors are nearby to assist when appropriate; however, inherent risks when riding a horse still exist.

**Night Games:** These activities offer great fun and excitement for our campers! Some night games may be programmed for your camper, such as a stealth game (where groups of campers and counselors try to make their way around camp without being detected) or a scavenger hunt. East Texas woods at night are intriguing and fun, but risks exist due to unforeseen obstacles or wildlife. Campers are reminded to use their insect repellent.

**Spartan & Athenian Competition:** The camp is divided into two tribes — Spartans and Athenians — for friendly, daily competition. Led by their camper and counselor Chief and Chieftess, the tribes compete in big Spartan and

Athenian events during the term, such as an all-camp marathon, track & swim meet, cheer competition, and giant team relay. Also on weekday mornings, campers participate in a variety of games like broom hockey, kickball, and water polo. Our oldest campers may also participate in a rope burn and canoe race. Points are tallied throughout the term and each tribe strives to be the tribe with the most points at the end of the term.

**Camp Olympia's overall camping program changes continually to ensure a new and exciting program for each of our campers. Therefore, this information is not to be considered all inclusive and is not designed to limit the Olympia program in any way.**

**I hereby request that my child be accepted to attend Camp Olympia.** I am aware that during my child's stay at Camp Olympia, my child will be participating in many physical activities and may encounter certain risks and dangers. These risks and dangers include, but are not limited to, serious bodily injury or death due to the hazards of being in a wilderness area, the forces of nature, and other risks and dangers because of the activities offered, and the nature of the grounds and facilities, at Camp Olympia. I am aware that Camp Olympia is located on a lake and has a swimming pool on the premises, and that my child will have the opportunity to participate in aquatic activities, including, but not limited to, swimming, boating, canoeing, and any other activity arranged for my child. I understand it is my sole responsibility to decide on and implement any activity restrictions which I deem necessary for my child's personal welfare and safety. I understand that Camp Olympia will be filming and taking photographs during the camping term which will include my child, and that Camp Olympia might use such filming and photographs in promotional materials. Individually and on behalf of my child, I consent to my child being filmed and photographed and to use such filming and photographs for promotional purposes. I hereby give my permission for my child to ride in camp buses and vehicles.

Please read carefully: This document must be signed by all Participants, including the Parent or Guardian (each referred to as "Parent") of a Participant who is a minor (under 18 years of age.) The Parent is signing on behalf of himself or herself and on behalf of the minor child.

**Agreement to Participate: Including Assumption of Risks and Agreements of Release and Indemnity**

In consideration of being allowed to stay on premises and/or participate in an AEI trip, organized and conducted by Adventure Experiences, LLC (DBA AEI Base Camp and AEI Outfitter), I, for myself and for any minor child of mine who participates, acknowledge and agree as follows:

The adventure experience in which I or the child will participate includes backpacking, camping, orienteering, hiking, rafting, kayaking, paddle boarding, challenge course activities (a network of cables, ropes, swings and platforms, as high as 50 feet off the ground, over which I or the child may walk and swing, with or without the assistance of other persons), rock climbing, fly fishing, outdoor games and others. These activities involve risks and hazards, including, among others, the following: those associated with traveling and camping in mountainous terrain; exposure to the natural elements, which may include heat, extreme cold and altitude, snow, sleet and rain, falling rocks and timber; and river crossings; dependence on other participants and staff; accidents or illness in remote places which may be many hours or days away from medical facilities; accidents associated with travel, by air, train, boat, ATV, horse, and automobile; the carelessness of other participants and staff; and the failure of equipment. These and other risks and hazards are inherent in the activities of AEI and cannot be eliminated without significantly changing the nature of the activities.

I understand that these and other hazards and risks may result in loss or damage to personal property, and personal injuries, including falls, abrasions, sprains, breaks, cold water immersion, and other emotional and physical injuries, and, in extreme cases even death, including by drowning.

I represent that I, or the child, have no medical or emotional conditions which may adversely affect my or the child's participation in this adventure experience, or which may cause me, or my child to be a danger to ourselves or others. I have listed on the Health History Form provided by AEI any and all medical conditions of which I believe AEI should be aware. I understand that it is my responsibility, and mine only, to determine my or the child's suitability, medical or otherwise, for participation in the activities.

**Acknowledgment and Assumption of All Risks**

For myself and on behalf of a child of mine who participates, I assume all risks of onsite presence and the activities, inherent or otherwise and whether or not described above. If my child is the Participant, I have discussed the activities and risks with him or her and the child understands both and wishes to participate nevertheless. The child has signed below to reflect his or her understanding of the activities and risks, assumption of them and desire to participate.

**Agreements of Release and Indemnity**

For myself and on behalf of a child of mine who participates, I agree to release and hold harmless AEI, its shareholders, directors, officers, employees, agents and contractors ("Released Parties") from any and all claims which I or the child may now have or acquire in the future, **including claims of negligence but not claims of gross negligence and intentionally wrongful conduct**, as a result of or arising from my or the child's onsite presence, enrollment or participation in any guided or unguided activities.

I further agree to protect and indemnify (that is pay any judgment and costs, including attorney's fees) AEI and the other released parties from any claim of the child or of any third party, including rescuers, other participants in the activities of AEI and members of my or the child's family, arising from my or the child's onsite presence, enrollment or participation in any guided or unguided activities.

**Other**

I certify that I am completely healthy (both physically and emotionally) and capable of participating in this Adventure Experiences, LLC trip/program. I understand that it is solely my responsibility to determine whether there is any medical reason that I should not participate in the program. I also understand that AEI and all of its representatives are in no position to determine whether I'm capable to participate in this program. My participation in this program is based on my decision to do so.

I agree to reimburse or pay any and all costs of AEI or any other released party associated with defending a claim brought by me or the child, to the extent that claim is dismissed or otherwise found to be without merit.

In the event of a dispute between me or the child and AEI or any released party, I agree to engage in good faith efforts to mediate that dispute. Unless otherwise agreed in writing, any mediation or suit may be conducted or filed only in Gunnison County, Colorado, and the laws of Colorado will apply to any such dispute, excepting only the laws of the State of Colorado which may apply the laws of another jurisdiction.

I authorize AEI to provide or obtain medical care for me or the child in the event of an incident requiring medical attention, and I further authorize AEI to exchange with any third-party medical care giver such information regarding my or the child's medical history or condition as may be deemed important to either of them.

I agree that I, or the child, will not consume or be under the influence of any chemical substance, including alcohol, during the activity. I, and the child, understand further that the activity and all aspects of it are purely voluntary and I or the child may choose not to participate. I agree that I, or the child, will follow all safety instructions. I agree to allow AEI to use photographic or other images of me or the child for marketing or any other purpose deemed reasonable by AEI.

Should any part of this agreement be deemed not enforceable by a Court of competent authority, the remainder of the agreement shall nevertheless remain in full force and effect.

**3. Release, Indemnification, and Assumption of Risk.** In consideration of the Participant being permitted to participate in the Activity, the Undersigned agree as follows:

(a) Release. THE UNDERSIGNED HEREBY IRREVOCABLY AND UNCONDITIONALLY RELEASE, FOREVER DISCHARGE, AND AGREE NOT TO SUE OR BRING ANY OTHER LEGAL ACTION AGAINST THE RELEASED PARTIES with respect to any and all claims and causes of action of any nature whether currently known or unknown, which the Undersigned, or any of them, have or which could be asserted on behalf of the Undersigned in connection with the Participant's participation in the Activity, including, but not limited to, claims of negligence, negligence *per se*, negligent misrepresentation, premises liability, tort claims, breach of warranty, statutory violations and breach of contract.

Minor Acknowledgment.** In the case of a minor Participant, the Undersigned parent or legal guardian acknowledges that he/she is not only signing this Agreement on his/her behalf, but that he/she is also signing on behalf of the minor and that the minor shall be bound by all the terms of this Agreement. Additionally, by signing this Agreement as the parent or legal guardian of

a minor, the parent or legal guardian understands that he/she is also waiving rights on behalf of the minor that the minor otherwise may have. The Undersigned parent or legal guardian agrees that, but for the foregoing, the minor would not be permitted to participate in the Activity. By signing this Agreement without a parent or legal guardian's signature, Participant, under penalty of fraud, represents that he/she is at least 18 years of age. The Undersigned understand and acknowledge that this Agreement is a contract and shall be binding to the fullest extent permitted by law. If any part of this Agreement is deemed to be unenforceable, the remaining terms shall be an enforceable contract between the parties. It is the intent of the Undersigneds that this agreement shall be binding upon the assignees, subrogors, distributors, heirs, next of kin, executors and personal representatives of the Undersigned.

**7. Photo Release.** The Undersigned consents and authorizes Scenic River Tours, its' affiliated enterprises, contractors and employees to use Participant testimonials, photographs and/or videotape of the Participant for use in any and all advertising materials including television, printed marketing material, Internet sites, exhibits or promotions.

## Bus and Airport Transportation Information

We make it easy for campers to get to and from Camp Olympia. Both of our transportation arrangements are stress free for parents! Whether by bus or by plane, our staff will contact you once your child is at Camp Olympia!

### Reserving Transportation

Please complete the online [Transportation forms](#) if you would like for your camper to be driven to camp from one of the designated pick-up locations. **Your camper will not be allowed to use transportation services provided by Camp Olympia until the office has received all required forms.**

### Transportation Pricing:

Airport Bus - International	\$80.00
Airport Bus	\$60.00
Houston Bus	\$60.00
The Woodlands Bus	\$60.00

### Charter Bus Info

We charter buses to camp from pick-up locations in the Houston area where staff members will be waiting to travel with the campers and head to Camp Olympia! **Charter buses are TO camp only**. The two locations are:

- **Houston (Galleria area) – Target parking lot**  
4323 San Felipe St.  
610 W exit 9a San Felipe Rd./Post Oak Blvd.  
Houston, Texas
- **The Woodlands – Main Event parking lot**  
19441 I-45 exit 77  
Research Forest Dr./Tamina Rd.  
The Woodlands, Texas

In preparation for traveling on Camp Olympia chartered vehicles, we ask that you **please review the following procedures with your camper**:

- Arrive at least 30 minutes prior to departure time stated on bus schedule.
- Check your camper in with a Camp Olympia staff member.
- Once your child is on the bus, they are in Camp Olympia's care and may not get off the bus unless directed by a staff member.
- Campers must wear their seatbelts when riding in a vehicle where it is provided.
- Campers should be respectful of the driver and keep noise level to a minimum.

- If it is necessary for campers to leave the vehicle, we practice the "Rule of Three." This involves having two people with each camper at all times—one of which being a staff member. Campers may NOT leave the vehicle without permission.

### Airport Travel Info

- Olympia staff meets all campers flying in to Houston's **Bush Intercontinental Airport-IAH**. We do **NOT** provide transportation to or from Houston's Hobby Airport.
- Arriving and Departing flights **MUST** be scheduled between 11:00 AM–2:00 PM. **If you are unable to find a flight within those time frames, please contact the office before booking flights.**
- We have long-standing relationships with airlines that we have worked closely with in the summers past. We have been most successful with United Airlines, American Airlines, Air France, and Interjet.
- Campers' luggage may be shipped ahead of time to help minimize the amount of baggage at the airport. Please contact us in advance for additional details.
- We ask that campers wear Camp Olympia gear so they are easily identifiable.
- A Camp Olympia staff member will stay with your camper at the gate until he/she boards the plane to fly home.

### Unaccompanied Minor Service

**Unaccompanied Minor forms must be obtained through the airline and parent MUST provide proof of purchase for the Unaccompanied Minor service.** This service accommodates campers who are traveling alone to be escorted throughout the entire airport under the supervision of designated airline personnel and Camp Olympia's trained staff members! They will be easily recognized, wearing a Camp Olympia t-shirt and name tag. On arrival, campers are met at the gate, escorted to the baggage claim, and taken to board the charter bus. For departures, the service allows our staff to check your child in at the ticketing counter, pass through security, and wait at the gate with your child until their flight departs. **Parents/guardians are held responsible for purchasing the Unaccompanied Minor service for BOTH arrivals and departures.**

## Bus and Airport Transportation Information

You will be required to list a responsible party to pick up your child in Houston. The airline will hold unaccompanied minors at the gate until identification is shown, proving that the party picking up your camper is who the parent/guardian listed on the Unaccompanied Minor form. As the responsible party listed for pickup, please use Camp Olympia's Transportation Director:

**Madison Hann**  
**(713) 582-9755 (Cell)**  
**723 Olympia Drive**  
**Trinity, TX 75862**

She will be at the airport with a team of Camp Olympia staff members for both your child's arrival and departure.

To handle the number of campers using our transportation service, an alternate member of our airport staff may be responsible for meeting your child at their arrival gate and releasing them from the airline agent. In this case, the staff member is given written authorization from Madison Hann, giving them authority to release your child from the gate. This system helps us run most efficiently and does not require any action on your part. We feel it is important for us to make you aware of the possibility of any changes to your child's plans for pick-up.

If you have any concerns or would like to discuss this, please email Karen Hatter at [khatter@campolympia.com](mailto:khatter@campolympia.com), and we will be happy to help!

### *Flying Internationally*

- All passports, cell phones, and other valuables are locked in our safe while your child is at camp.
- A notarized letter stating that your child has permission to travel between international borders, granting Camp Olympia permission to pickup/drop-off your child, must be included along with your camper's passport and Unaccompanied Minor form.

Camp Olympia has specially designed a "Survival Kit" for the CLP's as they set out on their new adventures in this O-Mazing program! Each "Kit" will be delivered to your child during their first week of camp.
