DRESS CODE

In keeping with a wholesome safe environment, we encourage all counselors to wear well-fitted, appropriate clothes, shoes and swim wear. Camp is a very active environment, and at times boys and girls will be participating together in activities.

Swim wear should provide complete coverage, fasten securely and be designed for active wear. Two-pieces are allowed if they have only one tie accompanied by another fastener. (Triangle bikini tops and bottoms that tie are prohibited.) Also, water shorts are encouraged when participating in lake activities.

Colored sports bras provide adequate coverage and support and are acceptable tops for water activities. However, in all land activities, a tank-top or t-shirt needs to be worn with a sports bra or bathing suit. Tank tops and sleeveless shirts should fit appropriately and not have large, gaping arm holes that hang down past a sports bra or to the middle of the ribs. Shorts should be of a modest length. Closed-toe shoes are needed for all land activities, and lake shoes are recommended for our lake activities.

Staff reserves the right to ask counselors to change clothes or put on additional clothing if deemed not appropriate for the active, co-ed camp environment.
