OVERVIEW

Dear Camp Olympia Parents,

Summer is right around the corner, and we are so thrilled to have your camper here this summer! Before all the fun can begin, there is important information and required forms in this packet that will help you get ready for the best summer yet! We encourage you to use this "Parent Packet" as a resource, but complete and submit all required forms via your Parent Portal. Please take time to review the list of forms below, their deadlines, and how to complete them. **In order for your camper to receive their cabin assignment, we must have their full tuition AND all required forms on file.**

We strongly suggest making an appointment now with your camper's physician for the camp physical or bringing your Physical Examination Form to your camper's next doctor's visit for completion. We can't wait for you to be here in just a few short months!

Campfully,
Camp Olympia Staff

We want to welcome you to the Olympia family!

We have been the Boys' and Girls' Camp Directors at Camp Olympia for over twenty years. Being parents ourselves of one current and one former staff member, both who grew up as campers here at Olympia, we know you will be entrusting us with your most precious possession. We do not take that responsibility lightly. We are committed to providing the best possible camping experience for your child. We love camp and the benefits that it gives to children. Camp Olympia is a special place where children learn responsibility and cooperation, as well as gain independence and self-esteem.

Camp builds character and values in children that help them achieve success in life. If you ask our longtime campers and staff what they cherish most about the camp experience, most will tell you it is connecting with others and developing true, long-lasting friendships. We are blessed to work in an environment where such friendships are formed.

A big aspect of camp is the growth campers experience from being in a tech-free and parent-free environment. However, we understand how important it is for you to see what is happening at camp and be a part of your camper's camp experience. Each day, our team will post over 100 pictures online to bring home the excitement of camp to you. We will also periodically post brief news updates on our Campanian app.

In this packet, we want to share with you information to help you prepare for camp as well as answer the specific questions parents ask most often! If you have further questions, please don't hesitate to call us at (936) 594-2541. You can also email Cody at cmauldin@campolympia.com or Michelle at mmauldin@campolympia.com.

Campfully,
Cody and Michelle Mauldin

OUR MISSION

Camp Olympia is dedicated to having fun together, helping people grow in **body, **mind** and **spirit**.**

We believe it is of the utmost importance that you know our values.
Below are descriptions of the key words from our mission statement.

DEDICATED. We're sold on the value of camping. The real life experience that camping provides cannot be matched for educational value. Preservation of this opportunity for future generations is a must. As we offer a program promoting adventure, challenge, fun, and growth to people of all ages, we will continue to affirm the value of camping and its many benefits.

FUN. Fun keeps people coming back for more. We want our facility and program to be enjoyable for everyone who comes through our gates. We create a family atmosphere where FUN begins as an attitude and becomes a way of life. At Olympia, fun is second only to safety.

PEOPLE. There is nothing of greater value than human life. We consider safety our top priority in evaluating, planning, and programming for any individual or group at Camp Olympia.

GROW. The physical, mental, and spiritual growth of every person at Olympia is important. We want people to leave Olympia with more esteem for God, others, and themselves, and to feel positively challenged to work and plan for a successful life. Our program and facilities have been designed with the positive growth of people in mind.

BODY. We encourage physical activity and new challenges throughout our daily schedule, allowing time to rest and reflect on the day's events.

MIND. We provide a safe haven for working through real life situations and resolving conflict with the help of peers and counselors.

SPIRIT. Growth at Camp Olympia is encouraged daily with a wholesome Christian atmosphere, and non-denominational Christian Vespers are offered on the middle Sunday of every term.

INFORMATION PARENTS WANT TO KNOW

OPENING DAY ARRIVAL

Camp's opening days are on **SUNDAYS**! We will open our gates by **1:00pm** and ask that families arrive in their allotted time as we will stagger check-in times. We will email you your check-in time in the week prior to Opening Day. Our goal is to create an efficient drop-off process for both campers moving in and parents driving through camp.

Upon arrival to camp, you will be greeted at your vehicle where a staff member will check-in your camper, verify we have all camper forms and take your camper's temperature. Following check-in, staff members will direct you to your camper's cabin. Once you arrive at your camper's cabin, a staff member will meet you at your car and unload your camper's belongings. You and your camper will say your goodbyes and the counselor will escort your camper to the cabin to get moved in. We ask that parents stay at their vehicles and **NOT** enter the cabins.

After moving your camper into his/her cabin, we welcome you to our **Nexus** building to talk with our Directors and pick up a copy of your camper's activity schedule. The **Nurses' Station** will also be open if you need to drop off any medication or speak with one of our nurses. You may also want to visit our **Country Store** to shop for any last minute camp gear or any items you would like delivered to your camper during his/her stay at camp.

We will have our annual **car decorating contest** so don't forget your car paint, balloons, streamers, and other fun decorations! This is a fun and easy way to earn merits, and you might even see your picture on the website later or in our yearbook!

CLOSING DAY DEPARTURE

Camp's closing days are on **SATURDAYS** and **FRIDAY FOR TERM 4**! Our gates will open at 9:30am, and your pick-up time window will be emailed to you in the week leading up to closing day.

Upon arrival, at your designated pick-up time, you will drive through Camp's front gate and be greeted by a staff member. This staff member will ask for identification which will be cross-checked with the approved names you listed on the **Parental Authorization for Camper Pickup Form** (found within your Parent Portal). Once cleared to proceed, you then will drive down the Cabin Loop to your camper's cabin. Here, you will remain at your vehicle and your camper will meet you there, while the counselors load your camper's belongings into your vehicle.

Once you have your camper and belongings, we encourage you to talk with camp staff, visit our Country Store, and stop by the Nexus to watch our summer video while signing up to be an Early Bird for 2026!

TRANSPORTATION & TRAVEL

Camp Olympia will offer bus transportation from Bush Intercontinental Airport (IAH) for our campers who are arriving by plane. We ask that campers who are flying in plan their arrival flights between 10AM–12PM, if possible, on opening day of your camper's term.

On closing day, camp staff will offer bus transportation to Bush Intercontinental Airport (IAH) for campers who will need to return home by plane. We ask that departing flights are scheduled between 11AM–1PM, if possible, on closing day of your camper's term.

Transportation forms for Travel Outside the United States and Travel Within the United States have been included in the online Parent Portal. **When making your travel arrangements, please take care of the Unaccompanied Minor form and fees and provide us with the receipt.** If no receipt is provided and camp must pay the fee, you will be responsible for reimbursing camp (and/or obtaining the refund for double payment from the airline). Please let us know your camper's flight information details by completing the pertinent transportation form. Also, please note that any camper belongings requiring shipping from camp will incur a shipping and handling charge.

Camp Olympia has partnered with **ShipCamps** to ease the hassle of getting luggage to camp. To learn more about this program, visit <https://shipcamps.com/camp-olympia>. The trunk shipment fee is only for campers who have their summer trunk/luggage shipped to Camp Olympia prior to their arrival via our partner ShipCamps. This does not apply to checked luggage for campers flying in.

EARLY BIRD 2026

On Closing Day, campers will have the opportunity to sign up to be **Early Birds for 2026**! Being an Early Bird has its advantages! Campers that sign up on or before Closing Day will secure their spot for 2026, earn 50 merits, and receive their Early Bird t-shirt and gift!

Parents may choose to complete their 2026 Camper Application online prior to Closing Day or at our **Nexus building** after picking up your camper. Early Bird t-shirts will be packed in trunks (or worn by campers) for applications received ahead of time. For applications received on Closing Day, Early Bird t-shirts will be distributed to campers at registration.

INFORMATION PARENTS WANT TO KNOW

PARENT CONTACT INFORMATION

Please confirm the accuracy of the parent contact information listed in our system by logging in via the **Parent Portal** on our camp website and accessing the Update Addresses/Phone Number link. For divorced families, please include contact information for the parent(s) who has custody of the camper. Please contact the camp office at 936-594-2541 or campinfo@campolympia.com with any questions or concerns.

Camp's closing day procedure requires an identification check, to confirm that the camper is only released to the authorized parent/guardian noted on the Parent Authorization for Camper Pickup form found within your Parent Portal. ***You must also identify on this Parent Authorization for Camper Pickup form if a particular parent/guardian is NOT to pick up your camper on closing day due to custody reasons.***

MEDICAL CARE

We have two registered nurses, plus a nurse practitioner, on site during each term. They treat minor illnesses and injuries, provide a little TLC, and decide who needs to see outside care. Depending on the attention needed, campers may be taken to a clinic or hospital in Trinity, which are approximately ten miles from camp. Additionally, an urgent care and hospital are available in Huntsville, approximately thirty-two miles from camp. You will be contacted if your camper needs outside medical attention. It is an American Camp Association accreditation standard and a Camp Olympia policy!

Campers or staff members exhibiting symptoms of illness will be seen by one of our nurses. Temperature checks and overall health assessments will be done each morning by cabin counselors and recorded in each camper's cabin book.

Please encourage your camper to communicate with his/her counselors if he/she feels ill while at camp. Campers feeling ill will be taken to the Nurses' Station and evaluated. If your camper exhibits symptoms of a contagious illness, he/she will be quarantined, and the camper will be evaluated by our nurses. Parents will be contacted if arrangements need to be made for the camper to go home until cleared by a doctor and is no longer contagious to the camp community to return.

Parents are responsible for any doctor, hospital, and/or pharmacy charges that might be incurred by their camper from illness or injury.

Your child will not be allowed at camp unless their Medical Forms have been completed and payment received. Your camper will not receive their cabin assignment until all required forms have been received by camp.

CABIN ASSIGNMENTS

Cabins at camp are assigned by sex and age with cabins grouped into clusters (Junior or "J", Intermediate or "I", Senior 1 and Senior 2 clusters.) If you have a cabinmate request, we ask for you to submit it via email to campinfo@campolympia.com by **April 15th**, if you have NOT already noted it on your camper's application. We do not guarantee cabinmate requests, though we do our best if the requested campers are close in age. **Cabin assignments will be emailed to you approximately one week prior to the start of your term** if your camper tuition has been paid in full and all of your camper forms have been submitted.

REGARDING PHONES

We want to create an ***unplugged environment*** for our campers while at camp. Campers do not have access to a phone and are not permitted to bring cell phones to camp. Instead, campers are encouraged to write home as often as possible. Please feel free to call and talk with our staff or your camper's counselor at any time for information, concerns, or suggestions about your camper's stay. When requesting to speak with a counselor, a message will be taken and the call returned at a specific time. You can reach us by phone at (936) 594-2541 or email campinfo@campolympia.com.

VACATIONING PARENTS

Please leave your vacationing address and phone number if the need arises for us to reach you. **We require at least one emergency contact who can pick up your camper within a reasonable time window.** If you have additional names to be notified in case of an emergency, please leave this with the office - we recommend more than one. If you vacation out of the country, don't forget to make allowances for time delays in sending your camper mail.

INFORMATION PARENTS WANT TO KNOW

PARTNERING WITH PARENTS

It seems that "being a kid" is harder these days more than ever in recent history, and this is why we feel the summer camp experience is so important! Below are some of the challenges and difficulties that we have witnessed this generation of girls and boys experience.

- Immense social pressure – both online and in person
- Decline in mental health – increasing anxiety, depression, self-harm
- Lack of outdoor, physical activity – increasing obesity and other health issues
- Divisive culture – bogged down in negativity, labeling others, taking sides, etc.
- Decline in emotional intelligence – replacing in-person communication with online communication

Through all that children face today, our mission has stayed the same. Camp Olympia is dedicated to having fun together and helping people grow in body, mind and spirit.

We want camp to be your child's "home away from home" – a positive, encouraging environment where everyone has fun, builds friendships, and grows as a person. At the same time, we also recognize that we need help from you, our camp parents, to assess if our camp environment is the right fit for your child this summer. We want to partner with you to help your child grow and have the most positive summer camp experience that we can provide. Communication is key!

- We look to get the most fun out of every day at camp, and that is why our day is scheduled from wake-up to lights-out with a variety of activities and programs. **Campers (and counselors!) will get tired from being physically active outside.** Each day, we have a "rest hour", consisting of down time in the cabin where rest is encouraged. We also stress the importance of drinking lots of water and eating well at each meal. Campers do not have the option to skip out of scheduled activities. We expect campers to participate unless they are not feeling well.
- **Camp is a community environment**, with the opportunity to make many, lasting friendships. Campers learn to work with one another, encourage one another, and help one another. Through this unique environment, campers learn so much about themselves and about how to relate to other people. Campers will not have much alone time at camp, aside from "rest hour" and bedtime.
- **The camp environment is often loud and noisy.** We love to chant and cheer, whether rooting for our tribe at Spartan/Athenian or with our cluster inside the chow hall during lunch! Our programs are always rockin' with music to fit the theme.
- One of the very special aspects of camp is its beautiful, natural environment tucked in the East Texas pine trees along Lake Livingston. We will wake up to birds chirping and go to bed to the crickets chirping. There will be deer and squirrels, but also spiders and mosquitoes. Getting to **observe and explore nature** is part of what makes the camp experience so unique.

- We have 30 cabins at camp, all situated in groups called clusters along our Cabin Loop road. Half of the clusters are dedicated to Boys' Camp and the other half is Girls' Camp, with each cluster grouped by age. **We only allow biological boys in boys' camp cabins and bathrooms, and likewise biological girls in girls' camp cabins and bathrooms.** Entering a cabin or bathroom of the opposite sex is not allowed and grounds for dismissal.
- Gender identity has become a much more prevalent topic in youth settings like schools and camps in the last several years. There have been instances where returning campers have requested to be addressed as a different name than how we previously knew them or new campers requesting a different name than what their camper forms indicated. Sometimes these changes are unbeknownst to parents. Parents, we ask that you help us by **indicating your camper's preferred name or nickname on your camper's Personal Information sheet and other camp forms**, as this is how we will address your camper at camp. We ask that all campers respect others by referring to them by their preferred name (as indicated on their Personal Information sheet).
- We strive to create the "Positive Zone" at camp where negativity is left outside the camp's gates. We want camp's environment to be one of encouragement and kindness where campers feel free to get out of their comfort zone to grow! Through the many decades of camp, we have heard hundreds of stories of how life changing and deeply impactful the camp experience and camp friendships can be for people. However, if your camper has been suffering with **severe anxiety, depression, self-harm or suicidal thoughts or tendencies** during this school year, we strongly advise that your camper continues their mental health journey with their trained, licensed medical/counseling team at home. Our camp staff, most of whom are college-age summer camp counselors, are not licensed counselors or therapists equipped to handle these challenging issues. Having a camper go home from camp for these issues can often be an unfortunate setback in their journey, and we only want the best for them.
- **Camp operates in a Christian environment** where we pray before meals, where Christian music may play throughout camp, and have Bible studies available for our staff. We are not affiliated with any particular church or denomination, nor do we have daily services or Bible studies with campers. We have a non-denominational Christian Vespers service on Sunday evenings for our campers and staff. Many times, our Vespers includes an outside entertainer (ex. band, illusionist, artist, etc.) who performs and gives a Christian message. We recognize that we have campers of many different faiths, so our Vespers service is optional, and we give parents the ability to opt-in or opt-out of this program in the Camper Personal Information Sheet form prior to camp. Our non-religious service is led by our staff and is a wholesome positive message without any religious messaging.

INFORMATION PARENTS WANT TO KNOW

FOOD

Camp Olympia takes pride in providing healthy and delicious meals for children to enjoy. Our well-balanced meals offer several food choices. Campers are encouraged to drink a lot of water and to eat salad and fruit at meals. Please indicate any allergies or dietary needs on the Health History Form within your **Parent Portal**. If needed, our Chow Hall Manager can talk with you prior to opening day to discuss your specific dietary needs.

COUNTRY STORE & MERIT SYSTEM

Our merit system works as an incentive rather than a disciplinary measure. It is based on the theory of logical consequence. Positive behavior results in a merit received; negative behavior results in a demerit taken. This system promotes a positive environment and encourages personal responsibility.

Campers can choose to save their merits, spend them on clothing, games, toys, etc. during their weekly trip to the Country Store, or donate a portion of them to our Camp Olympia Philanthropy Club, which benefits a children's charity each year. Money is only accepted through online store orders and in person purchases on Opening and Closing Days.

The Country Store will be open on Opening and Closing Day for parents to shop the latest camp gear! We have everything from hats, waterbottles, t-shirts, and stickers!

ITEMS TO LEAVE AT HOME

To provide campers with the best camping environment we can, we ask that campers **NOT** bring the following items with them to camp: money, candy, food items, guns, knives, firecrackers, silly string, diffusers, radios, iPods/MP3 players, video cameras/GoPros, laptop computers, iPads/Tablets/Kindles/Nooks, video game players, cell phones, Apple watches/smart watches, or hoverboards. Also, we discourage bringing expensive clothing and jewelry or valuable equipment.

Since Olympia takes over 100 photos daily, posts them online, as well as gives you a picture of your child with his/her cabin, we recommend not bringing cameras to camp. Digital cameras that are brought to camp may only be used at designated times deemed appropriate by counselors. If not used in an appropriate manner, digital cameras may be taken up and returned to the camper on Closing Day.

CANCELLATION POLICY

In the event of a cancellation, tuition fees will be refunded based on the schedule below.

- 31 or more days prior to the first day of the enrolled camp term: 100% of tuition is refunded, less the non-refundable deposit.
- 14-30 days prior to the first day of the enrolled camp term: 50% of tuition is refunded, less the non-refundable deposit.
- Less than 14 days prior to the first day of the enrolled camp term: No tuition will be refunded.

No deductions will be made for late arrivals or early departures. In cases where a camper is withdrawn upon doctor's orders, a refund of \$100 for each remaining day will be refunded upon request.

Camp Olympia reserves the right to dismiss any camper whose behavior is detrimental to other members of the camp community and reserves the right to not invite the dismissed camper back to camp. **Any camper with weapons, illegal drugs, alcohol, cigarettes, vapes/ Juuls/e-cigarettes or smokeless tobacco while at camp will be subject to dismissal.** Any camper who leaves their cabin without a counselor or counselor permission after lights out will be subject to dismissal from camp. Please refer to the Camper Code of Conduct for other conduct violations that could lead to a dismissal from camp and a refusal for future admittance. **In the case of misconduct or rules violation that results in dismissal, there will be no refund of camp fees.**

UNTIL NEXT SUMMER

We would love to hear about all of your special news and accomplishments throughout the year. We will keep in touch with you with our camp emails, special events, social media, and more!

Additionally, if you are on social media, we encourage you to like our Camp Olympia **Facebook Page** and follow us on **Instagram** to stay up-to-date on all that is happening at camp all year long!

We also have several Special Events at camp throughout the year, including our Family Camp Weekend, Spring Open House, Mother/Daughter Weekend, Mom/Son Weekend, Father/Son Weekend, and Fall Fest. Check out our [website](#) for dates and details on these Special Events and mark your calendar now!

STAY IN TOUCH WITH YOUR CAMPER!

HAVE FUN WITH YOUR CAMPER

From when we open the gates to kick off camp, we'll be sharing photos and updates. From big events to everyday activities, we'll share the magic with you via Campanian. Campanian makes sending letters easier than ever too.

To get started, follow these simple steps:

- Download the **Campanian app**
- Use your CampInTouch Account email address and password to log in
- Complete forms online and upload completed paperwork right in the app
- Upload a training photo of your child, which enables the app to send you photos of your camper over the summer. Even if you uploaded a photo last year, you'll need to upload a new one this year, as previous photos are removed annually to stay fresh and accurate. (Optional)
 - We'll be sharing photos all summer long, and Campanian's facial recognition technology automatically searches for campers and tags them for you to view in the app. This saves you time sifting through the hundreds of photos we will post while your camper is here at camp. The technology will identify your camper, and you will receive notifications whenever they appear in camp photos.
- Ensure you have push notification enabled within your phone settings so you can receive important updates from camp all year long!
 - We'll also be sharing Microposts to tell short stories about the highlights from the day's activities and special programs!
- Using the Letters feature in the app, you'll be able to write emails to your camper through Campanian.
- We'll also upload handwritten eletters from your camper, which you can read right in the app, for no extra fee.

PHOTOS & LETTERS

If you are interested in viewing photos or typing letters from your computer, access your Parent Login on our website under the Parent Info section. Note that the facial recognition feature is only available through the Campanian app.

PICTURES, YEARBOOKS & VIDEO

Camp Olympia will be filming and taking photographs during the camping term. Unless otherwise notified in writing, Camp Olympia reserves the right to use photographs and/or video of your camper for promotional purposes.

Each day we will post over 100 photos so you can see camp in action! Encourage your camper to get in front of the camp cameras!

We strive to have all of the prior day's photos posted by noon the following day. This Photo Gallery allows you to look through all of camp's photos for the day and tag, download or purchase a print of the favorites photos of your camper. While you might not see your camper everyday, you are likely to see your camper's smiling face several days during the term.

Pictures of your camper in their "camp uniform" as well as a cabin photo with their cabin mates and counselors will be posted online at the end of the term at no additional fee.

Additionally, camp will create **videos** so campers can relive the best moments of the summer and share with others.

Our **2025 GAMECHANGER Yearbook** is available for purchase through the Additional Options Form online. Yearbooks will not be completed or published until after summer and will be available by the end of the year.

MAIL CALL & PACKAGE INFO

Mail Call is one of the highlights of the day! Campers enjoy receiving mail from their family and friends. However, please note that we have a **NO OUTSIDE PACKAGE** policy, so parents and friends are asked **NOT** to send outside packages to camp. Any package will be returned to sender. If there is a **special need or a birthday**, please contact the office at (936) 594-2541 or campinfo@campolympia.com. Please help us by notifying your family members and friends of this policy. Camp Olympia will continue to offer its **Special Delivery Care Packages**. Information for ordering these fun, camp approved packages is found later in this packet and can be ordered online via the [Additional Options Form](#) or in person on Opening Day.

STAY IN TOUCH WITH YOUR CAMPER!

EMAIL - PARENT TO CAMPER

Emailing your camper is quick and easy! There is no cost to send emails to your camper. The Olympia staff will print off your email to your camper and include it in the day's mail distribution if the **email arrives before 11:00 am**. You can even include your favorite photo from our daily photos in your email for your camper to see.

TO EMAIL YOUR CAMPER

Login to your Companion app on your phone or your **Parent Login** from the website. Once logged in, you will see a Letters option to email your camper.

Don't want to access your account or want another easy way for other family members and friends to email your camper? Send to campermail@campolympia.com and put your camper's FIRST & LAST NAME and CABIN in the subject.

Please note that your camper will not be able to send a reply email, nor have access to use a computer. Campers can only send handwritten either through traditional stationery or the E-letter reply feature.

E-LETTER REPLIES

E-letter Replies allow your camper to quickly respond to your emails or letters without using a computer. It is the fastest way for a camper to get a letter to you! This service is particularly beneficial if you plan to travel while your camper is at camp or if standard mail from camp takes more than a day or two to arrive to your home. When composing an email within the Letters window, there is a checkbox option to attach an E-letter reply stationery to your email. At mail time, your camper will receive your email plus a blank, bar-coded E-letter on which they can reply. Once your camper has written their handwritten reply and turned in with their cabin's mail, our office staff will scan the E-letter reply, which will then appear within your parent portal.

If you have notifications turned on, you will receive an alert when an E-letter Reply has been sent to you. You can view your camper's handwritten letter within Companion!

Please encourage your camper to use these letters if you send them! Also, let them know that only black or blue ink will show up on the scans and if they use another color, you may not be able to see their response.

NEED ADDITIONAL HELP?

When logged in to your Parent Portal, there is a "Help" link in the top right area. This "Help" section has answers to many of the most common questions. If you are unable to find an answer to your question, select the "Help Ticket" option and type in your question/issue to have a customer service representative respond.

SPARTAN & ATHENIAN

Camp is divided into two tribes – Spartans (red team) and Athenians (blue team) – for friendly, competition for boys' camp and girls' camp. Tribes are led by their camper and counselor Chief and Chieftess, and team spirit is everywhere! Each morning starts with daily competitions where campers will be a part of a team and compete with other campers their age in a variety of fun games like broom hockey, kickball, sand soccer, water polo, and koob. Several of the daily competition games are unique to Olympia, and strategy is key! This part of our program builds a spirit of friendly competition, teamwork and leadership. Counselors from different age groups coach their respective team, and their enthusiasm is contagious!

The tribes also compete in all-camp Spartan and Athenian events during the term. These big events, such as marathon, track & swim meet, and relay day involve each camper's participation with the goal of earning points for their tribe. Each team member's effort counts! Our oldest campers may also participate in a rope burn and canoe race in our 12-person "War Canoes". Points are tallied throughout the term and each tribe strives to be the tribe with the most points at the end of the term. Many of our campers tell us these big events are their favorite part of camp. Not only does this build pride in your tribe but also pride in Camp Olympia.

Campers will find out the first night of camp which tribe they are a part of if they don't already know! Campers will be placed in the same tribe as their parents or siblings, if they, too, attended Olympia.

WHAT TO BRING TO CAMP!

LABEL EVERYTHING

PLEASE MARK YOUR CAMPER'S FULL NAME ON EVERYTHING

Your camper's clothes will be laundered at least twice during a three week session and at least once during a two week session. **We discourage bringing expensive outfits, jewelry or equipment to camp.**

Campers should bring their belongings to camp in a **FOOTLOCKER OR TRUNK NO MORE THAN FOURTEEN INCHES TALL** in order to fit underneath your camper's bed. It is fine to pack some items in a labeled laundry or duffel bag.

To find footlockers and other camp gear, we recommend Everything Summer Camp. They carry everything from trunks and duffels, to clothing labels, to bunk and bath supplies. **Use the "Find my Camp" function or enter the Camp Code: PLAY673OL to get discounted products!**

DRESS CODE

In keeping with a wholesome safe environment, we encourage all campers to wear well-fitted, appropriate clothes, shoes, and swimwear. Camp is a very active environment, and at times, boys and girls will be participating together in activities.

Swimwear should provide complete coverage, fasten securely, and be designed for active wear. We encourage female campers to wear a one-piece swimsuit, and require that they bring at least one for athletic water activities (such as our track and swim meet), however two-pieces are allowed if they have only one tie accompanied by another fastener. (Triangle bikini tops and bottoms that tie are prohibited). Also, swim shorts are required when participating in lake activities such as blobbing and rocketing, wakeboarding, and waterskiing. Dark colored sports bras provide adequate coverage and support, and therefore, are acceptable tops for water activities. However, in all land activities, a tank-top or t-shirt needs to be worn over a sports bra or swimsuit.

Tank tops and sleeveless shirts should fit appropriately and not have large, gaping arm holes that hang down past a sports bra or to the middle of the ribs. Crop tops or other shirts that show one's midriff are not allowed. Shorts should be of a modest length. Closed-toe shoes are needed for all land activities, and lake shoes are recommended for our lake activities.

Our staff reserves the right to ask campers to change clothes or put on additional clothing if deemed not appropriate for the active, co-ed camp environment. Your camper can help prevent injuries or embarrassing situations by arriving to each activity dressed appropriately.

A few things to note when making your activity choices!

- Please note that if a **change in your camper's activity schedule** is needed, they will only be allowed to change an activity for one that is listed as one of the 15 choices on their activity preferences. The number and size of the activity classes are set based on the preferences of all campers, and therefore, spots are limited for activity changes.
- Paid activities receive priority ranking. If you choose one of our paid activities (**Junior Golf Academy, Golf Class, or Waterski/Wakeboard**), it will automatically be moved to the top of your camper's preferences in our scheduling system, so it is best to rank these first.
- When choosing paid activities, (**Junior Golf Academy, Golf Class, or Waterski/Wakeboard**), please double check that your choices are reflected on both the **Activity Preference Form** as well as the Additional Options Form. This helps Camp Olympia ensure that your camper gets placed in those activities. If your choices are not reflected on both forms, your camper may not be placed in the paid activity.
- Note that **blobbing, rocketing, watersliding, water inflatables, "Water Wars" water-balloon battles and mini-golf** will be offered several times throughout the term including during free swim, Saturday afternoons, Water Carnival and/or structured free time, and as a result, they are not listed as specific activity choices but will be available for all campers during their camp term.
- Please note **age requirements** when choosing your activities.
- Please be aware that some activities are **2 periods** due to location or nature of activity.
- It is not necessary to include **swim lessons** as one of your activity choices if your camper is under 10 years old. All campers 9 years of age and younger are automatically placed in swim lessons. If your camper is 10 years or older and would like to be in swimming lessons, please email rbaxter@campolympia.com.
- In addition to your camper's activity choices, **Free Swim** and/or **O-Sports** may be added to any activity schedule.
- **Please only submit your activity preferences once.** If you need to make any changes to what has already been submitted, please contact Rachel Baxter via email at rbaxter@campolympia.com.

ACTIVITY BROCHURE SUMMER 2025

OVERVIEW

Campers, we hope you are excited to learn all about our activities and then RANK your favorites! Parents, we want you to have a good understanding of all that we offer!

This activity brochure is designed to inform you and your camper of Camp Olympia's activities and to help in choosing from over 45 different activities. We want to answer as many questions as possible, as well as give your camper a feeling of familiarity even before he/she arrives. It is Camp Olympia's goal to give each camper an activity schedule with their top choices; however, class minimums must be kept and maximums kept in order to have a productive and efficient class.

With the completion of the online **Activity Preferences Form**, you are indicating your understanding of the activities you and your camper choose as well as those activities conducted throughout the term as "special events" or "extra activities", and you are acknowledging that you have read this material.

Please note that if a change in a camper's activity schedule is needed, campers will only be allowed to change an activity for one that is listed on their activity preference form. The number and size of the activity classes are set based on the preferences of all of our campers, and therefore, limited spots are available.

FAMILY CONVERSATIONS TO HAVE

It should be noted here that all activities include some degree of risk and many of these risks are included in each activity's description to help you make an informed decision about what activities are right for your camper. There are unforeseen risks such as wildlife indigenous to East Texas, inclement weather conditions, and rough terrain. Also, the high heat is a factor in Texas during summer months. Heat, along with increased activity levels, may affect anyone who is not maintaining proper hydration. Water breaks are scheduled each day. Please talk with your camper about the importance of drinking plenty of water during his/her stay with us!

ACTIVITY SCHEDULING

Activity classes are scheduled based on demand by age group, with each activity class having minimum and maximum number of campers. Campers will be scheduled in their daily activities based on activity rankings they provide and the availability of activity classes available for their age group. We will strive to place campers in as many of their top ranked activities as scheduling will allow.

WHAT WILL MY CAMPER'S SCHEDULE LOOK LIKE?

Here is an example of an activity schedule that your family will have the opportunity to pick up on opening day at drop-off. On Opening Day, if you determine an error in your camper's schedule, please let one of our staff members know. We will have our activity scheduling staff available in the Nexus building to address any scheduling concerns that you have. Campers will have the opportunity to make changes, if needed. We require campers to try each activity on their schedule once before requesting a change. **Note, some activities are two-periods due to location and nature of activity.**

ARTS

Arts activities are a great way for campers to show their creativity and individual talents. Whether creating something new or performing in front of everyone, campers get to leave their mark in our Arts classes!

ARTS & CRAFTS is where it's at! Whatever the project, you can bet it will be FUN, and campers will be able to bring it home! Note that heat, chemicals, or sharp objects may be used under supervision.

BEGINNER CULINARY ARTS is a great way for campers ages 6 - 12 to explore new things in the kitchen! During this one period class, they will learn introductory skills and cooking techniques! Knives and kitchen tools may be utilized.

ADVANCED CULINARY ARTS is a great way for campers ages 13 - 16 to enhance their kitchen skills! They will learn different techniques and cooking styles and may even cook you a meal when they get home! Knives, kitchen tools, and kitchen appliances will be utilized.

DANCE class is a great way for campers to work on leaps, turns, and technical movements! Many of our dance classes perform a choreographed piece at Talent Show the last week of camp!

DRAMA campers get to create and perform their own skits. Campers enjoy dressing up in costumes and some even choose to perform their skit at Talent Show the last week of camp!

PHOTOJOURNALISM provides campers with an opportunity to experience digital photography, journalism, and newsletter editing.

TEXTILE ARTS has campers using different textiles such as string and fabrics, to create a variety of crafts. They will create one-of-a-kind projects to take home as well as learn lifelong skills. Note that campers may use sharp objects, such as scissors and needles, with supervision during this class.

VIDEO PRODUCTION is a **2-period class** for campers 10-16 where they will be taught how to create different styles of videos. Campers will be instructed on shooting video, importing the clips to the computer, learning how to edit them, and putting their digital video to music.

WORKSHOP class is a great way for campers to learn how to use woodworking and leather working tools to create something special to take home from camp. Note that tools can be dangerous and the risk of injury does exist. Please encourage your camper to listen and abide to all safety instructions.

GOLF

Camp Olympia offers two activity options for campers to experience golf! Golf Class OR Junior Golf Academy. Please note, if you choose **Junior Golf Academy**, you are unable to choose **Advanced Horseback** due to scheduling conflicts.

GOLF CLASS is a **2-period class** and meets in the afternoons every other day at the beautiful Whispering Pines Golf Club. It is taught in a clinic style setting with one PGA professional. Campers will learn the basics of the game, the rules, and the etiquette of course play. The fee for **Golf Class** is \$150 for a two-week term and \$225 for a three-week term. Collared shirts are recommended but not mandatory. Golf clubs are available, therefore Golf Class campers do not have to bring their own.

JUNIOR GOLF ACADEMY is a unique opportunity for two-week and three-week campers 8 years and older to receive golf instruction in the mornings at Whispering Pines Golf Club and enjoy fun Camp Olympia activities in the afternoons. The Academy is home to the most unique facility found anywhere in junior golf. The instructional areas and breathtaking holes are a treat for junior golfers, no matter their skill level. Golfers at the Academy will receive instruction **Monday – Friday from 8:30am to 12:00pm** with the option to play The Needler (a 9-hole short course) and the main 18-hole course on Tuesday, Thursday, and Saturday evenings. In addition, the club includes a multi-station practice facility, driving range, and video analysis of swings by the Whispering Pines' Head Golf Professional. The Junior Golf Academy is an **additional cost of \$400 for a two-week term & \$600 for a three-week term** with limited space available. Collared shirts and golf shorts/skirts are required. It is highly recommended for campers to bring their own golf clubs. In addition to the outstanding golf academy, campers get to participate in eight traditional camp activity periods. Golfers join the rest of camp for cabin life, nightly programs, and special age specific programs.

HORSEBACK

Western riding is taught in our arena. Beginner/Intermediate and Advanced skill classes are offered, with the advanced class covering a 2-period block. Although our horses are accustomed to being ridden by campers and arena work, all animals can be unpredictable. Be aware of this and talk with your child about the need for respect and caution around the animals. Please note, if you choose Advanced Horseback, you are unable to choose Junior Golf Academy due to scheduling conflicts.

HORSEBACK is one of the activities campers select most often in their top five choices. Campers love to spend time learning about, caring for, and riding horses.

ADVANCED HORSEBACK campers should be at least 10 years old, and have received an "Advanced" rating in a previous horseback class at Camp Olympia or consistently ride at home. Advanced Horseback participants are expected to be able to catch, groom, and saddle their horses properly, as well as demonstrate proper body positioning and control of their horse at a walk, trot, and lope.

OUTDOOR ADVENTURE

Olympia's Outdoor Adventure classes provide campers with an opportunity to try activities that they may not have ever tried before or do not routinely have access to enjoy. As the Outdoor Adventure name implies, these activity offerings allow campers to experience activities out in nature where they come away with a greater appreciation of the world around them.

ARCHERY is an activity that has been available at camp since our gates opened in 1968 with many campers shooting their first bow and arrow at Olympia. Our Archery Range, Sherwood Forest, has two lines so many campers can enjoy this activity at once. Campers may have the opportunity to take part in our **NEW Axe Throwing** range providing a fun and competitive challenge. When choosing these activities, parents and campers are encouraged to discuss the need for strict obedience to all safety regulations. Basic safety rules and safety commands are covered during the course.

BIKING involves the use of mountain and cruiser bikes. Biking is another way to experience the beauty of nature through the roads and trails of camp while getting great exercise! Safety helmets are worn while biking.

FISHING is a great, relaxing **2-period class** at Olympia. Campers fish in stocked ponds out on the golf course as well as Garcia Pond near the heart of camp. Campers use a variety of baits, lures, and hooks with the hopes of catching the biggest fish! Campers are shuttled to the fishing ponds on a passenger trailer.

CHALLENGE COURSE is a **2-period class** for our oldest campers, ages 13-16, and involves initiatives as well as low elements and high elements on our ropes course. A belay system is used on our high elements. This involves safety harnesses and ropes to assist the campers while they climb. All high elements are "Challenge by Choice."

During low elements, campers will learn proper spotting techniques and assist instructors with spotting while learning teamwork, cooperation, and responsibility.

During high elements campers get to try the following elements:

- **Double Zip Line** - campers must be at least 65 lbs to participate.
- **Climbing Wall** - located on the back side of our O'Dome and has three different challenging routes to climb!
- **Power Pole** - campers climb a 30' telephone pole and then jump to catch a nearby trapeze. This can be done solo or in tandem with a friend!
- **Giant Swing** - over 50 feet high and is an awesome adventure that allows three people to swing at once. Campers must be 48 inches tall to ride on the swing.
- **3 in 1** - this 30' transfer element has 3 challenges in 1 as you traverse across different high features.
- **3-Sided Rockwall** - over 30 feet high your camper can put their climbing skills to the test!

INTERMEDIATE ADVENTURE or I-Adventure is for campers ages 10 - 12. Intermediate campers enrolled in this activity are allowed input on the selection of their activities during this class. This **2-period class** offers the opportunity for scavenger hunts, hikes around camp, introductory initiatives that prepare them for challenge course classes in the future and many more! I-Adventure even has its own famous song!

J-JOURNEYS is a class for our junior campers, ages 6 - 9. During this one-period class, campers will trek through the Piney Woods, go on a scavenger hunt, and have a blast learning about the great outdoors!

Campers will gain outdoor experience and may learn about using a compass, setting up a camp site, environmental education, building a fire, tying knots, trapping, canoeing, fishing, and skeet shooting during this **2-period class**.

RIFLERY is where campers can learn lifetime skills in the secured environment of our riflery range. When choosing these activities, parents and campers are encouraged to discuss the need for strict obedience to all safety regulations. Basic safety rules and safety commands are covered during the course. Our Junior and Intermediate campers use high-end air rifles and our Senior 1 and Senior 2 campers use .22 caliber centerfire rifles. Campers are shuttled to the riflery range on a passenger trailer for this **2-period class**.

PUPPIES IN TRAINING is for campers ages 6-12 who will have an opportunity to interact with 4 puppies at camp. Campers will spend time learning how to care for the puppies while on walks, give them baths, basic training for the dogs, and just love on them! At the end of the summer, camper families will have the opportunity to purchase one of the puppies and give it a forever home. Money raised will be donated to the Camper Scholarship Fund here at camp.

SPORTS

Camp offers a wide array of Sports, which campers can choose in their activity preferences. There is also many opportunities for campers, outside of their scheduled activities, to participate in various field and court sports during Spartan/Athenian or during free-time with cabinmates and friends. Of course, like with any sport or physical activity, the potential for injuries exist.

BASEBALL is as popular as ever! Olympia's beautiful baseball park, named Ferguson Field, is second to none. Campers can hit a home run over the huge wall in left field or into Caney Creek in right field! In addition to baseball class, campers enjoy participating in our Home Run Derbies and Speed Softball games on this field.

BASKETBALL class is a great way for campers to experience our two covered basketball courts for double the fun! One court is a covered court at the O'Dome, and the second court is a full-size court under the Thunderdome. In addition to basketball activity class, campers enjoy playing basketball during Spartan/Athenian and knockout is also a favorite during free time.

CHEERLEADING at Camp Olympia is A-W-E-S-O-M-E! Campers will work on technical skills such as stunting, tumbling, motions, and chants. Some cheerleading classes like to visit our Jump Pad to practice tumbling elements and stunts. Campers will learn spotting techniques. With lifts, jumps and tumbling, the potential for injuries exist.

FOOTBALL has a long history at Camp Olympia and is a fun activity for both boys and girls. Olympia's owners, Chris Gilbert and Corby Robertson, Jr., were both All-American football players at the University of Texas. Both Chris and Corby taught football to Olympia campers in camp's initial years. Campers will work on their football skills and play flag football games.

FRISBEE is fun for all ages. Campers learn how to properly throw a frisbee and learn the strategies of playing Ultimate Frisbee. Campers also have the opportunity to play Frisbee Golf!

GYMNASTICS at camp involves flexibility and balance exercises, as well as tumbling on a padded mat or even the outdoor Jump Pad! With tumbling and flips, the potential for injuries exist.

Senior campers learn single and compound lifts that enhance strength in the core muscle groups.

WATER FUN

Get ready for some fun at our lakefront that we call The Point! All waterfront activities involve participation in Lake Livingston. There are several recreational waterfront activities in which all campers may participate, such as **Blobbering, Rocketing, Water Sliding, Paddleboarding, Canoeing, and Log Rolling**. In addition to these recreational lake activities, campers may choose **Wakeboarding, Waterskiing, Canoeing, Kayaking, and Sailing** classes for their activity preference ranking. It is recommended that campers participating in any lake activities be comfortable in lake water and have at least a basic swimming ability. **Lifeguards are present for lake activities and life jackets are mandatory for all waterfront activities, with the exception of blobbing and water sliding**. Life jackets are available for these activities as needed or wanted. Though our Olympia staff takes many precautions, risks on the lake do exist. Many of the risks involved in waterfront activities stem from instances beyond our control: equipment problems, falls, wildlife, weather, ignoring of safety instructions, and other conditions or events inherent in water sports.

In addition to The Point, we also have a pool close to the heart of camp. The Olympia pool has a shallow end as well as the following elements in the deep end: **Diving Board, Climbing Wall, Giant Slide, Platform, and Zip-Line ("Trolley")**. These elements, along with **Water Wars**, are available to campers during camp's **Free Swim** activity class as well as the many other pool times and special programs available to all campers throughout the term. Campers may choose **Swimming Lessons, Diving, and Snorkeling** classes for their activity preference ranking!

BLOBBING is long-time tradition at Olympia, and is definitely a highlight for many campers! Blobbing is jumping from a platform and landing on a large inflatable (called a Blob), which is floating on the lake and anchored in position. At camp, we have two blobs for double the fun!

CANOEING campers enjoy paddling out on Lake Livingston. Canoeing is a great team exercise, with campers learning to work together to paddle. Campers may choose between standard sized canoes and our two 29' War Canoes that can hold entire cabins at once!

DIVING gives campers the opportunity to dive off our diving board and our platform at the pool! Many campers have learned to dive for the first time at Camp Olympia!

FREE SWIM at the Camp Olympia pool is the perfect time to cool off and have fun! The pool has many fun elements including a diving board, water slide, climbing wall, platform and trolley! Plus, everyone loves relaxing on our fun pool floats!

KAYAKING was introduced at Olympia in 2005 and has become one of our most popular activities. Kayakers enjoy paddling together on Lake Livingston.

PADDLE BOARDING is a leisurely way to enjoy life out on the lake. Campers who take sailing as an activity will have the opportunity to paddle board, but others will have the opportunity to paddle board at some of our special camp events at the lake.

ROCKETING is riding a large inflatable pulled behind one of our ski boats. Rockets can hold up to 10 people at a time, so campers get to share in the excitement of this lake activity together. Hang on for an exciting ride!

SAILING from The Point out on Lake Livingston is a great way to enjoy the beautiful scenery! In sailing class, campers are taught the parts of the boats, various knots, and sailing techniques. It is a great time for campers to relax and bond together out on the water. Plus, Paddleboarding has been added to sailing class for another fun experience on the lake.

SNORKELING at the pool is fun and refreshing. Campers learn about snorkeling equipment and use it to find "treasures" in the pool.

SWIMMING LESSONS are required for campers ages 9 and under. Lessons are optional for campers 10-16. Campers learn swim strokes and pool safety.

WATER SLIDING is available at both the pool and The Point! Our 100 foot water slide at The Point is a highlight for many campers as they slide from the top of the tall spiral staircase into the lake! Campers also enjoy the 60 foot long slide at the pool during Free Swim and other events at the pool.

WATER WARS is Camp Olympia's very own water balloon battle station next to our pool! Campers can pair up to shoot water balloons at their opponents or aim for the target to splash water on them!

WAKEBOARDING is a very popular activity at Olympia. With our many competition ski boats, class includes wakeboarding instruction and may also include waterskiing, slalom, kneeboarding, and wakesurfing. Campers are grouped by age and skill level and assigned to boats that includes a boat driver and instructor, one of whom is a certified lifeguard. A fee (\$100 for a 2 week term/\$150 for a 3 week term) will be assessed for wakeboarding class to guarantee your camper's space in a boat. In an effort to find the best area to wakeboard, often times boats travel across Lake Livingston to other predetermined areas as opposed to staying close to the Olympia shoreline. There is no age minimum for wakeboarding. Campers must wear a helmet while wakeboarding. Life jackets must be worn at all times until back on shore.

WATERSKI has been a favorite camp activity through the years, with hundreds of campers learning how to waterski for the first time at Olympia. As with wakeboarding, campers are grouped by age and skill level and assigned to a boat that includes a boat driver and an instructor with one being a certified lifeguard. Campers may also be given the opportunity to wakeboard, kneeboard, and slalom in their waterskiing class. A fee (\$100 for a 2 week term/\$150 for a 3 week term) will be assessed to guarantee your camper's space in waterski class. As noted for wakeboarding class, boats often travel across Lake Livingston to other predetermined areas to waterski. There is no age minimum for waterskiing. Campers must wear a helmet while waterskiing. Life jackets must be worn until back on shore.

Due to limited boat space, **we require campers be 13 years or older in order to take BOTH Waterskiing and Wakeboarding**. If you are 13 years old, and wish to take BOTH waterskiing and wakeboarding, email rbaxter@campolympia.com and kcallahan@campolympia.com to secure your spot!

ZIP LINE (TROLLEY) is a hit at the pool! Campers feel the wind through their hair as they descend from our 15 foot platform into the water! It is a great activity for campers to enjoy during Free Swim and other events at the pool.

MEDICAL FORMS

IMPORTANT DETAILS

DUE - MAY 1ST

There are **three** documents that complete the medical information portion of the Parent Packet: the online **Health History Form**, the **Parent Insurance Card**, and the **Physician's Examination Form**.

1. HEALTH HISTORY (ONLINE FORM) - In completing your camper's Health History Form, you will need his/her immunization history, medications, health care providers, and health insurance. Once you begin the History Form, you will have the option to "Save for Later" for up to six weeks. A great feature to the online Health History Form is that, after you initially complete your camper's Health History Form, you will be able to review and update annually.

2. PARENT INSURANCE CARD (PAPER FORM) - Make sure to input your **CURRENT** medical insurance information in the space provided and check that it matches the copies of your insurance card that you provide. Include a readable copy of the front and back of your primary insurance card on the **Parent Insurance Card Form**.

3. PHYSICIAN'S EXAMINATION (PAPER FORM) - A Physician's Examination form, completed and signed by your physician within the last 12 months, is necessary to attend. Camp has provided a **Physician's Examination Form** within this packet. MyChart, or similar Well-Check report from your doctors office or a school/sports physical, signed by a doctor, will also be accepted.

Your camper will not receive their cabin assignment or be allowed to check-in at camp if we do NOT have all required forms.

Camp Olympia is committed to providing the best possible camping experience for YOU! We are doing our best to create a healthy, symptom-free environment for our campers. We are asking for all parents, campers, and staff to be aware of any medical condition or symptoms that could spread to members of our camp community.

Please do **NOT** bring your camper to camp if they are sick or exhibiting any symptoms including fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills, fatigue, diarrhea, and/or vomiting. These symptoms are considered symptoms of Influenza-Like Illness (ILI). If your camper exhibits ILI symptoms prior to camp, please do **NOT** bring your camper to camp until he/she has been fever-free and symptom free for at least 24 hours without the aid of any fever-reducing medication.

Additionally, please contact Camp Olympia if you were exposed to any communicable disease within 7 days prior to your arrival. Upon arrival to camp, our medical staff will be screening for:

- Fever while a parent is present at camp
- Signs/symptoms of illnesses or injury
- History of exposure to communicable disease
- Head lice

If your camper is found to have head lice, you will be given the option to pick-up your camper for treatment, or we will treat them for lice at camp. You will be responsible for the cost of the lice treatment, which can be up to \$250 per treatment. **Please be proactive and check your camper for head lice before his/her arrival to camp.**

Please be aware that the incidence of bed bugs has affected the camping and hospitality industries. While we are proactive with inspections of our cabins, the possibility of bed bugs exists. We have an action plan in place for immediate extermination if they are detected or suspected. Keeping this possibility in mind, we recommend that families bag up campers' belongings for departure and, once home, wash all items and use the high heat setting on your dryer. If bed bugs are detected in your camper's cabin, you will be notified.

Please encourage your camper to follow good hygiene practices while at camp. Keeping hands clean is one of the best ways to keep from getting sick and spreading illnesses. It is important to wash hands with soap and water for 20 seconds. REMEMBER: If soap and water are not available, use an alcohol-based wipe or hand gel! There will be many available hand sanitizing stations around camp.

Additionally, we ask that you NOT share toiletry items such as hairbrushes, combs, toothbrushes, razors, and personal items such as hats and swimsuits.

FORM: CAMPER POLICY AGREEMENT

This form can be found in your Parent Portal or within the Campanion app.

Please indicate through the online form that you have read and agree to this Camper Policy Agreement below.

At Camp Olympia, we're sold on the value of camping! The real life experiences that camping provides cannot be matched. As we offer a program promoting adventure, challenge, fun, and growth to people of all ages, we want to help teach our campers responsibility. In order to create a positive and fun community for all, campers must accept consequences for their choices and actions that can hinder the Olympia experience for other campers and staff members. **Any camper dismissed for disciplinary reasons will not be invited to attend camp the following year.**

The physical, mental, and spiritual growth of every person at Olympia is important. We want people to leave Olympia with more esteem for God, others, and themselves, and to feel positively challenged to work and plan for a successful life. Our program and facilities have been designed with the positive growth of people in mind. We want everyone who enters our "Positive Zone" to have a positive, fun, and memorable experience at Olympia.

Our Code of Conduct policies are important to help create a harmonious community where everyone is a part of the Olympia family. We believe that these policies will contribute importantly to producing a quality camp experience where your camper and others at camp can have an O-mazing summer. **Camp Olympia requires that every parent and camper thoroughly read, understand, and agree to abide by our camper policies.** It is important to discuss this agreement carefully with your camper(s). We consider signatures on this statement as acceptance of responsibility for campers to live by these standards at camp and for campers and parents to accept the consequences if the camper does not.

This Camp Policy Agreement is an online form that requires a digital signature from both the camper and parent. Please login to our website or the Campanion app to access the online Camper Policy Agreement Form.

CAMPER POLICY AGREEMENT

CAMPER CODE OF CONDUCT AGREEMENT

1. I will not, at any time, be in possession of tobacco products, e-cigarettes/vapes, Juuls, drugs, alcohol, illegal substance or any weapons/knives. I understand that if any of these items are found on me or with my belongings that they will be assumed to be mine unless I can prove otherwise.
2. I will not, at any time, go into the cabin of the opposite sex for any reason whatsoever, nor will I go through cabin areas of the opposite sex without authorization from a counselor or staff member.
3. I understand that for my safety, it is important for a counselor to know my whereabouts at all times, and therefore, I will not leave my cabin group, cluster, activity or camp programs/events without approval in order to meet up with other campers.
4. I will keep myself from physical conflicts/fights at camp.
5. I will not be a part of any form of bullying (physical, verbal or relational), or racism/discrimination. (Bullying and racism covers a wide spectrum of actions and language, and it is Camp Olympia's discretion to apply appropriate disciplinary action based on the severity of a camper's involvement in any of these issues.)
6. I understand that profanity and vulgarity have no place at camp.
7. I will not damage Camp Olympia property or the property of others. This includes my cabin, cluster, and all other camp buildings.
8. I understand the Camp Olympia dress code and agree to abide by the guidelines in order to help prevent injuries or embarrassing situations. The dress code is as follows:

In keeping with a wholesome safe environment, we encourage all campers to wear well-fitted, appropriate clothes, shoes, and swimwear. Camp is a very active environment, and at times boys and girls will be participating together in activities.

Swimwear should provide complete coverage, fasten securely, and be designed for active wear. We encourage female campers to wear a one-piece swimsuit, however two-pieces are allowed if they have only one tie accompanied by another fastener. (Triangle bikini tops and bottoms that tie are prohibited.) Also, swim shorts are required when participating in lake activities such as blobbing, rocketing, and wakeboarding/waterskiing. Dark colored sports bras provide adequate coverage and support, and therefore, are acceptable tops for water activities. However, in all land activities, a tank-top or t-shirt needs to be worn by everyone.

Tank tops and sleeveless shirts should fit appropriately and not have large, gaping arm holes that hang down past a sports bra or to the middle of the ribs. Crop tops or other shirts that show one's midriff are not allowed. Shorts should be of a modest length. Closed-toe shoes are needed for all land activities, and lake shoes are recommended for our lake activities.

Our staff reserves the right to ask campers to change clothes or put on additional clothing if deemed not appropriate for the active, co-ed camp environment.

9. I understand that to fully appreciate the Camp Olympia experience, which involves interacting with my cabin mates and gaining independence, I will not bring my cell phone, Apple Watch, smart watch, iPad, tablet, Kindle, Nook or iPod with me to Camp Olympia. Camp Olympia has the right to take up these items if found, as they are not allowed at camp. If they are taken up, Camp Olympia does not assume responsibility for these items.

**I understand that there is one exception to this rule and that is if I am traveling to camp from the airport. I may travel with these items, but I'm required to turn them in once I arrive at Camp Olympia.*

10. I understand that it is a privilege to bring my digital camera to camp. With this privilege, comes responsibility in taking appropriate pictures. I will only take pictures during times that are deemed appropriate by staff, such as all camp events, and I will NOT take any pictures in the cabin or bathroom. I also agree that shooting any video with my camera is not allowed. I understand that using my camera in an inappropriate manner will result in my camera being taken up and returned on closing day and may result in my dismissal from camp. I also understand that filming video and/or bringing video cameras/ GoPros is not allowed at camp.

11. Finally, I understand that the consequences of not abiding by any of the above mentioned conduct standards may result in immediate dismissal from camp and jeopardizes the opportunity to return to camp in the future. In addition to these stated camper policies, I understand that I may be dismissed from camp for any conduct that negatively affects the camp experience for another camper or reflects unfavorably on Camp Olympia.

CAMPER POLICY AGREEMENT

SOCIAL NETWORKING POLICY

We have always taken the safety and well-being of our campers –your children– very seriously. After all, giving your children over to the care of other people is perhaps the greatest act of trust in which you as a parent can engage. We aim to do everything we reasonably can to earn and keep that trust. We also know we cannot do this without your help. With more and more children using the Internet, cell phones, and other technologies at younger ages, we appeal to you as parents to partner with us as child advocates to ensure that your children continue to have the safest, most wholesome childhood experience as possible. We would encourage you not only to consider the following in relationship to camp, but for your family as a whole since your children are exposed to a variety of people everyday.

At Camp Olympia, our pledge is to put your children in the company of the most trustworthy and appropriate young adults we can hire—counselors who are well-suited to the task of caring for campers. The effort we put into screening and selecting our staff is part of that pledge. During camp, our staff works with your child in the context of a visible, well scrutinized community that has many built-in checks and balances. Counselors are supervised by senior staff and are guided by clear, firm policies regarding behavior. Their actions are also visible to a community full of co-workers and campers. Our staff is hired for the camp season and is under contract at that time. After camp we cannot take responsibility for their off-season behavior since we cannot supervise it. It is the responsibility of the parent to interview and research any staff member if you want to hire him/her as a baby-sitter, nanny, or child companion outside of camp. We have great young people working at Olympia, but we want you to be an informed decision maker regarding contact between staff and campers outside of camp.

We recognize that campers and counselors develop close, trusting relationships with one another at camp and that these relationships are healthy, wholesome, and beneficial to campers and staff alike. We are aware that many campers will naturally want to keep in touch with their favorite counselors after camp. With new technologies and social networking capabilities, it is easy for campers to track down counselors outside of camp and to communicate with them. We want you as parents to be aware of this.

Therefore, our recommendation is simply for you as parents to be aware of your child's online activities, including social media (Facebook, Twitter, Instagram, Snapchat, TikTok, etc.), instant messaging, video websites (ex., YouTube), apps and email. Also, be aware of phone activities including calls, text messages, and video chats through Zoom and other services. Supervise your child's phone and computer use as you would any other aspect of his/her life in your home. Likewise, we request that you as a parent or legal guardian talk with your child about what contact information you would allow them to exchange with a camp staff member or other campers. In sharing contact information with a staff member or camper, you understand that you accept full responsibility for overseeing whatever contact occurs as a result.

We want to partner with you, the parent, in keeping children safe by being proactive in communicating our policies and offering advice on how to address this important topic with your child.

I have read and voluntarily signed this Permission to Attend, Release and Indemnity, and I further agree that no oral representations, statements or inducements apart from the foregoing written agreement have been made.
