We want to welcome you to the Camp Leadership Program!

Davis du Vigneaud is the CLP Director for 2025. Davis completed the CLP program in the summer of 2017 as a camper and has a passion for this program. In addition to the Camp Leadership Program, Davis is in charge of our O'Crew (staff program for 17-year-olds), Jr. Golf Academy, and staff recruiting. He started at Olympia in 2010 as a camper, worked as a counselor and summer assistant director from 2019-2023. After graduating from Texas A&M University in the spring of 2023, Davis joined our year-round team as an Assistant Director in the fall of 2023.

From first-hand experience, Davis will tell you the impact that the CLP program can have on an individual. Many long-time campers say that CLP is their favorite year as a camper. More so than any other camper year, the participants will undergo growth in body, mind, and spirit. The result is a deepened love and appreciation for Camp Olympia, the camp experience, as well as a unique bond among fellow campers that won't be forgotten.

We understand that CLP is different than any prior year as a camper. With the new experiences comes new information and new questions. In this packet, we want to share with you information to help you prepare for camp as well as answer the specific questions parents ask most often! If you have further questions, please don't hesitate to call us at (936) 594-2541. You can also email Davis at dduvigneaud@campolympia.com.

OUR MISSION

Camp Olympia is dedicated to having fun together, helping people grow in **body, **mind** and **spirit**.**

We believe it is of the utmost importance that you know our values. Below are descriptions of the key words from our mission statement.

DEDICATED. We're sold on the value of camping. The real life experience that camping provides cannot be matched for educational value. Preservation of this opportunity for future generations is a must. As we offer a program promoting adventure, challenge, fun, and growth to people of all ages, we will continue to affirm the value of camping and its many benefits.

FUN. Fun keeps people coming back for more. We want our facility and program to be enjoyable for everyone who comes through our gates. We create a family atmosphere where FUN begins as an attitude and becomes a way of life. At Olympia, fun is second only to safety.

PEOPLE. There is nothing of greater value than human life. We consider safety our top priority in evaluating, planning, and programming for any individual or group at Camp Olympia.

GROW. The physical, mental, and spiritual growth of every person at Olympia is important. We want people to leave Olympia with more esteem for God, others, and themselves, and to feel positively challenged to work and plan for a successful life. Our program and facilities have been designed with the positive growth of people in mind.

BODY. We encourage physical activity and new challenges throughout our daily schedule, allowing time to rest and reflect on the day's events.

MIND. We provide a safe haven for working through real life situations and resolving conflict with the help of peers and counselors.

SPIRIT. Growth at Camp Olympia is encouraged daily with a wholesome Christian atmosphere, and non-denominational Christian Vespers are offered on the middle Sunday of every term.

INFORMATION PARENTS WANT TO KNOW

OPENING DAY ARRIVAL

Camp's opening days are on **SUNDAYS!** We will open our gates by **1:00pm** and ask that families arrive in their allotted time as we will stagger check-in times. We will email you your check-in time in the week prior to Opening Day. Our goal is to create an efficient drop-off process for both campers moving in and parents driving through camp.

Upon arrival to camp, you will be greeted at your vehicle where a staff member will check-in your camper, verify we have all camper forms and take your camper's temperature. Following check-in, staff members will direct you to your camper's cabin. Once you arrive at your camper's cabin, a staff member will meet you at your car and unload your camper's belongings. You and your camper will say your goodbyes and the counselor will escort your camper to the cabin to get moved in. We ask that parents stay at their vehicles and **NOT** enter the cabins.

After moving your camper into his/her cabin, we welcome you to our Nexus building to talk with our Directors. The Nurses' Station will also be open if you need to drop off any medication or speak with one of our nurses. You may also want to visit our Country Store to shop for any last minute camp gear or any items you would like delivered to your camper during his/her stay at camp.

CLOSING DAY DEPARTURE

Camp's closing days are on **SATURDAYS!** Our gates will open at 9:30am, and your pick up time window will be emailed to you in the week leading up to closing day.

Upon arrival, at your designated pick-up time, you will drive through Camp's front gate and be greeted by a staff member. This staff member will ask for identification which will be cross-checked with the approved names you listed on the **Parental Authorization for Camper Pickup Form** (found within your Parent Portal). Once cleared to proceed, you then will drive down the Cabin Loop to your camper's cabin. Here, you will remain at your vehicle and your camper will meet you there, while the counselors load your camper's belongings into your vehicle.

Once you have your camper and belongings, we encourage you to talk with camp staff and visit our Country Store!

TRANSPORTATION & TRAVEL

Camp Olympia will offer bus transportation from Bush Intercontinental Airport (IAH) for our campers who are arriving by plane. We ask that campers who are flying in plan their arrival flights between 10AM–12PM, if possible, on opening day of your camper's term.

On closing day, camp staff will offer bus transportation to Bush Intercontinental Airport (IAH) for campers who will need to return home by plane. We ask that departing flights are scheduled between 11AM–1PM, if possible, on closing day of your camper's term.

Transportation forms for Travel Outside the United States and Travel Within the United States have been included in the online Parent Portal. **When making your travel arrangements, please take care of the Unaccompanied Minor form and fees and provide us with the receipt.** If no receipt is provided and camp must pay the fee, you will be responsible for reimbursing camp (and/or obtaining the refund for double payment from the airline). Please let us know your camper's flight information details by completing the pertinent transportation form. Also, please note that any camper belongings requiring shipping from camp will incur a shipping and handling charge.

Camp Olympia has partnered with Ship Camps to ease the hassle of getting luggage to camp. To learn more about this program, visit <https://shipcamps.com/camp-olympia>. The trunk shipment fee is only for campers who have their summer trunk/luggage shipped to Camp Olympia prior to their arrival via our partner ShipCamps. This does not apply to checked luggage for campers flying in.

CLP PREPARATION

These three weeks will be very challenging for your camper. It is strongly encouraged to be physically active at least 30 - 45 minutes three to five days a week leading up to your CLP term. Recommended exercises include: walking, running, swimming, cycling, climbing stairs, push-ups, and stretching. Arriving to camp in good physical condition will help make your camper's experience even better!

INFORMATION PARENTS WANT TO KNOW

PARENT CONTACT INFORMATION

Please confirm the accuracy of the parent contact information listed in our system by logging in via the **Parent Portal** on our camp website and accessing the Update Addresses/Phone Number link. For divorced families, please include contact information for the parent(s) who has custody of the camper. Please contact the camp office at 936-594-2541 or campinfo@campolympia.com with any questions or concerns.

Camp's closing day procedure requires an identification check, to confirm that the camper is only released to the authorized parent/guardian noted on the Parent Authorization for Camper Pickup form found within your Parent Portal. ***You must also identify on this Parent Authorization for Camper Pickup form if a particular parent/guardian is NOT to pick up your camper on closing day due to custody reasons.***

MEDICAL CARE

We have two registered nurses, plus a nurse practitioner, on site during each term. They treat minor illnesses and injuries, provide a little TLC, and decide who needs to see outside care. Depending on the attention needed, campers may be taken to a clinic or hospital in Trinity, which are approximately ten miles from camp. Additionally, an urgent care and hospital are available in Huntsville, approximately thirty-two miles from camp. You will be contacted if your camper needs outside medical attention. It is an American Camp Association accreditation standard and a Camp Olympia policy!

Campers or staff members exhibiting symptoms of illness will be seen by one of our nurses. Temperature checks and overall health assessments will be done each morning by cabin counselors and recorded in each camper's cabin book.

Please encourage your camper to communicate with his/her counselors if he/she feels ill while at camp. Campers feeling ill will be taken to the Nurses' Station and evaluated. If your camper exhibits symptoms of a contagious illness, he/she will be quarantined, and the camper will be evaluated by our nurses. Parents will be contacted if arrangements need to be made for the camper to go home until cleared by a doctor and is no longer contagious to the camp community to return.

Parents are responsible for any doctor, hospital, and/or pharmacy charges that might be incurred by their camper from illness or injury.

Your child will not be allowed at camp unless their Medical Forms have been completed and payment received. Your camper will not receive their cabin assignment until all required forms have been received by camp.

CABIN ASSIGNMENTS

CLP cabins are assigned by sex, grouped into cabin clusters (CLP Girls sharing one cluster together and CLP Boys sharing a separate cluster together). If you have a cabinmate request, we ask for you to submit it via email to campinfo@campolympia.com, if you have NOT already noted it on your camper's application. Please limit your cabinmate request to one camper. Cabin assignments will be emailed to you approximately one week prior to the start of your term if your camper tuition has been paid in full and all of your camper forms have been submitted. During CLP, activities and programs are scheduled for the CLP group as a whole instead of specifically by cabin. CLP campers are encouraged to bond with others in the program beyond their cabin mates.

REGARDING PHONES

We want to create an ***unplugged environment*** for our campers while at camp. Campers do not have access to a phone and are not permitted to bring cell phones to camp. Instead, campers are encouraged to write home as often as possible. Please feel free to call and talk with our staff or your camper's counselor at any time for information, concerns, or suggestions about your camper's stay. When requesting to speak with a counselor, a message will be taken and the call returned at a specific time. You can reach us by phone at (936) 594-2541 or email campinfo@campolympia.com.

VACATIONING PARENTS

Please leave your vacationing address and phone number if the need arises for us to reach you. **We require at least one emergency contact who can pick up your camper within a reasonable time window.** If you have additional names to be notified in case of an emergency, please leave this with the office - we recommend more than one. If you vacation out of the country, don't forget to make allowances for time delays in sending your camper mail.

INFORMATION PARENTS WANT TO KNOW

PARTNERING WITH PARENTS

It seems that "being a kid" is harder these days more than ever in recent history, and this is why we feel the summer camp experience is so important! Below are some of the challenges and difficulties that we have witnessed this generation of girls and boys experience.

- Immense social pressure – both online and in person
- Decline in mental health – increasing anxiety, depression, self-harm
- Lack of outdoor, physical activity – increasing obesity and other health issues
- Divisive culture – bogged down in negativity, labeling others, taking sides, etc.
- Decline in emotional intelligence – replacing in-person communication with online communication

Through all that children face today, our mission has stayed the same. Camp Olympia is dedicated to having fun together and helping people grow in body, mind and spirit.

We want camp to be your child's "home away from home" – a positive, encouraging environment where everyone has fun, builds friendships, and grows as a person. At the same time, we also recognize that we need help from you, our camp parents, to assess if our camp environment is the right fit for your child this summer. We want to partner with you to help your child grow and have the most positive summer camp experience that we can provide. Communication is key!

- We look to get the most fun out of every day at camp, and that is why our day is scheduled from wake-up to lights-out with a variety of activities and programs. **Campers (and counselors!) will get tired from being physically active outside.** Each day, we have a "rest hour", consisting of down time in the cabin where rest is encouraged. We also stress the importance of drinking lots of water and eating well at each meal. Campers do not have the option to skip out of scheduled activities. We expect campers to participate unless they are not feeling well.
- **Camp is a community environment**, with the opportunity to make many, lasting friendships. Campers learn to work with one another, encourage one another, and help one another. Through this unique environment, campers learn so much about themselves and about how to relate to other people. Campers will not have much alone time at camp, aside from "rest hour" and bedtime.
- **The camp environment is often loud and noisy.** We love to chant and cheer, whether rooting for our tribe at Spartan/Athenian or with our cluster inside the chow hall during lunch! Our programs are always rockin' with music to fit the theme.
- One of the very special aspects of camp is its beautiful, natural environment tucked in the East Texas pine trees along Lake Livingston. We will wake up to birds chirping and go to bed to the crickets chirping. There will be deer and squirrels, but also spiders and mosquitoes. Getting to **observe and explore nature** is part of what makes the camp experience so unique.

- We have 30 cabins at camp, all situated in groups called clusters along our Cabin Loop road. Half of the clusters are dedicated to Boys' Camp and the other half is Girls' Camp, with each cluster grouped by age. **We only allow biological boys in boys' camp cabins and bathrooms, and likewise biological girls in girls' camp cabins and bathrooms.** Entering a cabin or bathroom of the opposite sex is not allowed and grounds for dismissal.
- Gender identity has become a much more prevalent topic in youth settings like schools and camps in the last several years. There have been instances where returning campers have requested to be addressed as a different name than how we previously knew them or new campers requesting a different name than what their camper forms indicated. Sometimes these changes are unbeknownst to parents. Parents, we ask that you help us by **indicating your camper's preferred name or nickname on your camper's Personal Information sheet and other camp forms**, as this is how we will address your camper at camp. We ask that all campers respect others by referring to them by their preferred name (as indicated on their Personal Information sheet).
- We strive to create the "Positive Zone" at camp where negativity is left outside the camp's gates. We want camp's environment to be one of encouragement and kindness where campers feel free to get out of their comfort zone to grow! Through the many decades of camp, we have heard hundreds of stories of how life changing and deeply impactful the camp experience and camp friendships can be for people. However, if your camper has been suffering with **severe anxiety, depression, self-harm or suicidal thoughts or tendencies** during this school year, we strongly advise that your camper continues their mental health journey with their trained, licensed medical/counseling team at home. Our camp staff, most of whom are college-age summer camp counselors, are not licensed counselors or therapists equipped to handle these challenging issues. Having a camper go home from camp for these issues can often be an unfortunate setback in their journey, and we only want the best for them.
- **Camp operates in a Christian environment** where we pray before meals, where Christian music may play throughout camp, and have Bible studies available for our staff. We are not affiliated with any particular church or denomination, nor do we have daily services or Bible studies with campers. We have a non-denominational Christian Vespers service on Sunday evenings for our campers and staff. Many times, our Vespers includes an outside entertainer (ex. band, illusionist, artist, etc.) who performs and gives a Christian message. We recognize that we have campers of many different faiths, so our Vespers service is optional, and we give parents the ability to opt-in or opt-out of this program in the Camper Personal Information Sheet form prior to camp. Our non-religious service is led by our staff and is a wholesome positive message without any religious messaging.

INFORMATION PARENTS WANT TO KNOW

FOOD

Camp Olympia takes pride in providing healthy and delicious meals for children to enjoy. Our well-balanced meals offer several food choices. Campers are encouraged to drink a lot of water and to eat salad and fruit at meals. Please indicate any allergies or dietary needs on the Health History Form within your **Parent Portal**. If needed, our Chow Hall Manager can talk with you prior to opening day to discuss your specific dietary needs.

ITEMS TO LEAVE AT HOME

To provide campers with the best camping environment we can, we ask that campers **NOT** bring the following items with them to camp: candy, guns, knives, firecrackers, silly string, diffusers, radios, iPods/MP3 players, laptop computers, iPads/Tablets/Kindles/Nooks, video game players, cell phones, Apple watches/smart watches, or hoverboards. Also, we discourage bringing expensive clothing and jewelry or valuable equipment.

Since Olympia takes over 100 photos daily, posts them online, as well as gives you a picture of your child with his/her cabin, we recommend not bringing cameras to camp. Digital cameras that are brought to camp may only be used at designated times deemed appropriate by counselors. If not used in an appropriate manner, digital cameras may be taken up and returned to the camper on Closing Day.

SPENDING MONEY

Camp Olympia will provide all CLP campers with snacks for the mountain prior to the trip to Colorado. However, if your child needs to purchase any essentials for them prior to the Colorado trip, they will need cash. We recommend campers bring \$50 - \$100 to cover expenses, snacks, and incidentals. Additionally, there is an opportunity to purchase a souvenir from the Adventure Experiences' camp store. Credit and debit cards are generally accepted but having some cash is advised.

CANCELLATION POLICY

If cancellations occur within seven days prior to your camp term, half of the tuition will be refunded. No deductions will be made for late arrivals or early departures. In cases where a camper is withdrawn upon doctor's orders, a refund of \$100 for each remaining day will be refunded upon request.

Camp Olympia reserves the right to dismiss any camper whose behavior is detrimental to other members of the camp community and reserves the right to not invite the dismissed camper back to camp. **Any camper with weapons, illegal drugs, alcohol, cigarettes, vapes/ Juuls/e-cigarettes or smokeless tobacco while at camp will be subject to dismissal.** Any camper who leaves their cabin without a counselor or counselor permission after lights out will be subject to dismissal from camp. Please refer to the Camper Code of Conduct for other conduct violations that could lead to a dismissal from camp and a refusal for future admittance. **In the case of misconduct or rules violation that results in dismissal, there will be no refund of camp fees.**

STAY IN TOUCH WITH YOUR CAMPER!

HAVE FUN WITH YOUR CAMPER

From when we open the gates to kick off camp, we'll be sharing photos and updates. From big events to everyday activities, we'll share the magic with you via Campanian. Campanian makes sending letters easier than ever too.

To get started, follow these simple steps:

- Download the **Campanian app**
- Use your CampInTouch Account email address and password to log in
- Complete forms online and upload completed paperwork right in the app
- Upload a training photo of your child, which enables the app to send you photos of your camper over the summer. Even if you uploaded a photo last year, you'll need to upload a new one this year, as previous photos are removed annually to stay fresh and accurate. (Optional)
 - We'll be sharing photos all summer long, and Campanian's facial recognition technology automatically searches for campers and tags them for you to view in the app. This saves you time sifting through the hundreds of photos we will post while your camper is here at camp. The technology will identify your camper, and you will receive notifications whenever they appear in camp photos.
- Ensure you have push notification enabled within your phone settings so you can receive important updates from camp all year long!
 - We'll also be sharing Microposts to tell short stories about the highlights from the day's activities and special programs!
- Using the Letters feature in the app, you'll be able to write emails to your camper through Campanian.
- We'll also upload handwritten eletters from your camper, which you can read right in the app, for no extra fee.

PHOTOS & LETTERS

If you are interested in viewing photos or typing letters from your computer, access your Parent Login on our website under the Parent Info section. Note that the facial recognition feature is only available through the Campanian app.

PICTURES, YEARBOOKS & VIDEO

Camp Olympia will be filming and taking photographs during the camping term. Unless otherwise notified in writing, Camp Olympia reserves the right to use photographs and/or video of your camper for promotional purposes.

We strive to post over 100 photos each day of camp by noon the following day. CLP leaders and camp's media team will take lots of photos throughout their time at camp, but due to the nature of the program, CLP photos will NOT be posted every day. Please note that the photos from their Colorado adventure will be posted after they return to camp. The online Photo Gallery allows you to look through all of camp's photos for the day and tag, download or purchase a print of the favorites photos of your camper.

Pictures of your camper in their "camp uniform" as well as a cabin photo with their cabin mates and counselors will be posted online at the end of the term at no additional fee.

Additionally, camp will create **videos** so campers can relive the best moments of the summer and share with others.

Our **2025 GAMECHANGER Yearbook** is available for purchase through the Additional Options Form online. Yearbooks will not be completed or published until after summer and will be available by the end of the year.

MAIL CALL & PACKAGE INFO

Mail Call is one of the highlights of the day! Campers enjoy receiving mail from their family and friends. However, please note that we have a **NO OUTSIDE PACKAGE** policy, so parents and friends are asked **NOT** to send outside packages to camp. Any package will be returned to sender. If there is a **special need or a birthday**, please contact the office at (936) 594-2541 or campinfo@campolympia.com. Please help us by notifying your family members and friends of this policy. Camp Olympia will continue to offer its **Special Delivery Care Packages**. Information for ordering these fun, camp approved packages is found later in this packet and can be ordered online via the [Additional Options Form](#) or in person on Opening Day.

STAY IN TOUCH WITH YOUR CAMPER!

EMAIL - PARENT TO CAMPER

Emailing your camper is quick and easy! There is no cost to send emails to your camper. The Olympia staff will print off your email to your camper and include it in the day's mail distribution if the **email arrives before 11:00 am**. You can even include your favorite photo from our daily photos in your email for your camper to see.

TO EMAIL YOUR CAMPER

Login to your Companion app on your phone or your **Parent Login** from the website. Once logged in, you will see a Letters option to email your camper.

Don't want to access your account or want another easy way for other family members and friends to email your camper? Send to campermail@campolympia.com and put your camper's FIRST & LAST NAME and CABIN in the subject.

Please note that your camper will not be able to send a reply email, nor have access to use a computer. Campers can only send handwritten either through traditional stationery or the E-letter reply feature.

E-LETTER REPLIES

E-letter Replies allow your camper to quickly respond to your emails or letters without using a computer. It is the fastest way for a camper to get a letter to you! This service is particularly beneficial if you plan to travel while your camper is at camp or if standard mail from camp takes more than a day or two to arrive to your home. When composing an email within the Letters window, there is a checkbox option to attach an E-letter reply stationery to your email. At mail time, your camper will receive your email plus a blank, bar-coded E-letter on which they can reply. Once your camper has written their handwritten reply and turned in with their cabin's mail, our office staff will scan the E-letter reply, which will then appear within your parent portal.

If you have notifications turned on, you will receive an alert when an E-letter Reply has been sent to you. You can view your camper's handwritten letter within Companion!

Please encourage your camper to use these letters if you send them! Also, let them know that only black or blue ink will show up on the scans and if they use another color, you may not be able to see their response.

Please note: While CLP is in Colorado, the campers will be unable to respond to emails or letters.

NEED ADDITIONAL HELP?

When logged in to your Parent Portal, there is a "Help" link in the top right area. This "Help" section has answers to many of the most common questions. If you are unable to find an answer to your question, select the "Help Ticket" option and type in your question/issue to have a customer service representative respond.

HIGH ALTITUDE AND HEALTH

HIGH ALTITUDE

Elevations in AEI Base Camp's area can range from 9,000 to 14,000 feet. Elevations above 8,000 ft. are considered "high altitude," where the air is "thinner" and contains less oxygen.

each step up in altitude corresponds with a decrease in air pressure. At 9,000 ft. the pressure is approximately $\frac{3}{4}$ what it is at sea level.

Translated: Every time you suck in a lung full of air at sea level you get all the bang for your buck. At 9,000 feet you are only getting \$0.75 worth of that buck.

High altitude affects almost everyone who climbs high. Most people will not feel the effects, but for those who do, this information will be helpful and encouraging. Some of the discomforts of climbing high include headache, nausea, fatigue, lassitude, loss of appetite, and loss of sleep. More serious signs and symptoms are loss of coordination, chest pain, difficulty breathing, and a productive cough. If you are suffering from symptoms of altitude illness, be sure to let someone on staff know right away.

Acclimation is the process your body goes through to adjust to living at a high elevation where there is less oxygen. The body needs time to acclimate, but this process varies from person to person. A healthy person should acclimatize to a given altitude within 24 to 48 hours. During this process you will increase your ventilations or breathe heavier, and your heart rate will increase significantly. After 3 to 5 days your heart rate should return to normal.

CHANGE YOUR DIET

Maintain a diet of 70% or greater carbohydrates and drink plenty of water (96 oz/day) and get plenty of rest 3 days prior to your arrival and during your stay.

Avoid sleeping pills and narcotic pain medications. These can escalate the symptoms of altitude illness.

Restrict salt, sugar, and caffeine intake.

As a program, we help members throughout CLP with these guidelines while encouraging healthy portions and plenty of water during meal times.

SUNSCREEN

While in Colorado, CLP campers are at an elevated altitude. With this elevated altitude comes an increased proximity to the sun and thus, an increased risk of sustaining sunburns. We highly recommend packing sunscreen for the Colorado portion of the trip.

CLP AT CAMP OLYMPIA

IN GENERAL

While at Camp Olympia, the CLP groups will participate in many of the programs they know and have loved through the years. Some of these include COLOCO, Overnight, Movie Night, and Carnival. In addition to these, the CLPs will enjoy some new experiences as a group that are outside the program and schedule of the rest of camp. Please make yourself familiar with the unique aspects of CLP by reading the following descriptions. Should you have any questions about the program, you may reach us at (936) 594-2541 or campinfo@campolympia.com.

LIFEGUARDING

During the first week here at Olympia, the CLP group will be led in lengthy training and preparation for certification tests. Participants who successfully complete the Lifeguarding course receive an American Red Cross certificate for Waterfront Lifeguarding/First Aid/CPR/AED, valid for 2 years. With these certifications, they are eligible to apply for our O-Crew program the following year and lifeguard for Olympia. They may also choose to obtain other lifeguarding jobs outside of camp.

SOLO TIME

Solo time is a 15 minute time that is built into the CLP schedule each day. During this time, the CLPs are encouraged to find a quiet place, while still visible in the main part of camp. Solo time is meant to be spent alone to process their experience through a silent activity such as reading, writing letters, and journaling.

CONDITIONING

It is important in the time leading up to the trip to Colorado that the group participates in some conditioning exercises. Physical fitness can help develop the endurance for the backpack trip up the mountain. It can also help them get acclimated to the higher altitude. Some of the fitness activities that the CLP group may participate in are jogging, yoga, aerobics, and core strengthening workouts. They will also play games like Ultimate Frisbee and Speed Softball while wearing their hiking boots in order to break them in before the big hike.

ACTIVITIES

While CLP campers do not have individual activity schedules like the rest of camp, they will get to participate in certain camp activities as a CLP group, as well as individually during some free time. It should be noted here that all activities include some degree of risk and many of these risks are included in each activity's description here to help you make an informed decision about what activities are right for your camper. There are unforeseen risks such as wildlife indigenous to East Texas, inclement weather conditions, and rough terrain. Also, heat factors in Texas during summer months are usually high. Heat, along with increased activity levels, may affect anyone who is not maintaining proper hydration. Water breaks are scheduled each day. Please talk with your camper about the importance of drinking plenty of water during his/her stay with us.

CLP IN COLORADO

IN GENERAL

The Colorado trip takes place from the second Wednesday of the term to the third Wednesday of the term. For Term 2, these dates are June 25th - July 2nd; for Term 3, the dates are July 16th - July 23rd. On travel days, you will receive emails from us throughout the day keeping you updated as the group arrives at their destination. The days spent in Colorado at Adventure Experiences are explained below.

DAY 1: TRAVEL DAY

The group will be picked up at Camp Olympia the evening before via charter bus and travel throughout the day to arrive in Almont, Colorado at AEI Base Camp. Once campers arrive at Base Camp, parents will be notified of their safe arrival.

DAY 2: LOW & HIGH ELEMENTS

In the morning, the group will participate in low elements, which are team building activities led by the Adventure Experiences guide staff and on AEI Base Camp's property. They will strategize and problem solve as a group while encouraging each other. In the afternoon, each CLP camper will have the opportunity to traverse the team ropes course with a partner and complete the course by riding the double zip line. The power pole is another high element available to enjoy!

DAY 3: ROCK CLIMBING

The CLP group will go to the rock climbing site in Taylor Canyon. The AE staff will belay the campers as they attempt to scale multiple rock faces. Each camper has the opportunity to climb any of the 5 different difficulty levels. After completing the rock climbing, the campers will head back to AEI Base Camp to pack for their backpacking adventure over the next few days.

DAYS 4-6: BACKPACKING

On the first day of the backpacking trip, the mountain groups get organized by packing the group food and group gear before beginning their hike. Then they hike most of the day, stopping for lunch. Once they arrive at the base camp of the mountain (near the tree line), they set up the tents and have dinner. Weather permitting, they will wake up and hike to the peak of the mountain the next morning. After peaking, they make their way back down to their camp site. On the third day of the backpack trip, the groups will have the opportunity to use a map and compass to orienteer their way back to Adventure Experiences.

DAY 7: WHITE WATER RAFTING

On the last full day in Colorado, the group will go white water rafting on the Taylor River in the morning guided by Scenic River Tours. They are joined by both AE staff and Camp Olympia leaders. Before returning to Adventure Experiences, the group will stop and have a scenic lunch at the Taylor Park Reservoir.

DAY 8: TRAVEL DAY

Much like the first travel day, the group will be picked up the evening before by charter bus at AEI Base Camp and travel throughout the day to arrive back at Camp Olympia to finish out the last few days of the term.

PACKING LIST FOR CAMP OLYMPIA

It is strongly recommended to pack a trunk for the Camp Olympia portion of the program and a separate duffle bag for the Colorado trip.

LABEL EVERYTHING

PLEASE MARK YOUR CAMPER'S FULL NAME
ON EVERYTHING

Your camper's clothes will be laundered at least twice during a three week session. **We discourage bringing expensive outfits, jewelry or equipment to camp.**

Camper's should bring their belongings to camp in a **FOOTLOCKER OR TRUNK NO MORE THAN FOURTEEN INCHES TALL** in order to fit underneath your camper's bed.

To find footlockers and other camp gear, we recommend Everything Summer Camp. They carry everything from trunks and duffels, to clothing labels, to bunk and bath supplies. **Use the "Find my Camp" function or enter the Camp Code: PLAY673OL to get discounted products!**

DRESS CODE

In keeping with a wholesome safe environment, we encourage all campers to wear well-fitted, appropriate clothes, shoes, and swimwear. Camp is a very active environment, and at times, boys and girls will be participating together in activities.

Swimwear should provide complete coverage, fasten securely, and be designed for active wear. We encourage female campers to wear a one-piece swimsuit, and require that they bring at least one for athletic water activities (such as our track and swim meet), however two-pieces are allowed if they have only one tie accompanied by another fastener. (Triangle bikini tops and bottoms that tie are prohibited). Also, swim shorts are required when participating in lake activities such as blobbing and rocketing, wakeboarding, and waterskiing. Dark colored sports bras provide adequate coverage and support, and therefore, are acceptable tops for water activities. However, in all land activities, a tank-top or t-shirt needs to be worn over a sports bra or swimsuit.

Tank tops and sleeveless shirts should fit appropriately and not have large, gaping arm holes that hang down past a sports bra or to the middle of the ribs. Crop tops or other shirts that show one's midriff are not allowed. Shorts should be of a modest length. Closed-toe shoes are needed for all land activities, and lake shoes are recommended for our lake activities.

Our staff reserves the right to ask campers to change clothes or put on additional clothing if deemed not appropriate for the active, co-ed camp environment. Your camper can help prevent injuries or embarrassing situations by arriving to each activity dressed appropriately.

DO NOT PACK

PACKING LIST FOR COLORADO TRIP

It is strongly recommended to pack a separate duffle bag for the Colorado trip.

AEI Base Camp provides most of the necessary wilderness equipment for your trip. You will provide the personal items listed below. Please keep in mind that the weather in Colorado can change rapidly. Rain or snow showers are likely and temperatures can vary from 25 degrees to 80 degrees on any day in May through August. This means that wool and synthetic blends are preferred. Please try to AVOID bringing COTTON clothing. Try to bring "layering" clothes that are wool/synthetic. Synthetic means polyester, polypropylene, polartec, fleece, synchilla, capilene, etc. Storage space is limited so please keep this in mind when packing. You can wear clothing multiple times and/or for multiple days as our environment is dry and on the cooler side. Our Base Camp is around 10,000 ft. in elevation and altitude sickness is a common occurrence. Drink plenty of WATER **prior** to arriving, as it combats altitude sickness.

MEDICAL FORMS

IMPORTANT DETAILS

DUE - JUNE 1ST

There are several health related forms, some from Camp Olympia and others from Adventure Experiences, that are necessary to be completed for CLP campers.

1. OLYMPIA HEALTH HISTORY - In completing your camper's Health History Form, you will need his/her immunization history, medications, health care providers, and health insurance. Once you begin the History Form, you will have the option to "Save for Later" for up to six weeks. A great feature to the online Health History Form is that, after you initially complete your camper's Health History Form, you will be able to review and update annually.

2. PARENT INSURANCE CARD - Make sure to input your CURRENT medical insurance information in the space provided and check that it matches the copies of your insurance card that you provide. Include a readable copy of the front and back of your primary insurance card on the **Parent Insurance Card Form**.

3. PHYSICIAN'S EXAMINATION - A Physician's Examination form, completed and signed by your physician within the last 12 months, is necessary to attend. Camp has provided a **Physician's Examination Form** within this packet. MyChart, or similar Well-Check report from your doctors office or a school/sports physical, signed by a doctor, will also be accepted.

4. ADVENTURE EXPERIENCES HEALTH HISTORY FORM - This is a paper form with specific health history questions needed for the Colorado experience. This should be completed by the parent/guardian.

5. COLORADO CERTIFICATION OF IMMUNIZATIONS - This is a paper form required by the state of Colorado though immunizations are required on Camp Olympia's Health History Form, it is also required to document them on this separate form as well.

6. HEALTH STATEMENT FOR ADVENTURE EXPERIENCES - This paper form must be completed by a physician/nurse practitioner.

7. MEDICATION PERMISSION FOR ADVENTURE EXPERIENCES - This paper form is required by Adventure Experiences.

8. SUNSCREEN WAIVER - This paper form is required by Adventure Experiences.

9. SCENIC RIVER TOUR WAIVER - This is an online form required by Adventure Experiences to participate in the white water rafting trip with Scenic River Tours.

*All required paper forms are found within this packet and should be uploaded to your Parent Portal or through the Companion app. Please contact Karen Hatter at khatter@campolympia.com with any questions regarding your CLP forms. Your camper will not receive their cabin assignment, check-in pass, or be allowed to stay at camp if we do **NOT** have all required forms.*

DRESS CODE

Camp Olympia is committed to providing the best possible camping experience for YOU! We are doing our best to create a healthy, symptom-free environment for our campers. We are asking for all parents, campers, and staff to be aware of any medical condition or symptoms that could spread to members of our camp community.

Please do **NOT** bring your camper to camp if they are sick or exhibiting any symptoms including fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills, fatigue, diarrhea, and/or vomiting. These symptoms are considered symptoms of Influenza-Like Illness (ILI). If your camper exhibits ILI symptoms prior to camp, please do **NOT** bring your camper to camp until he/she has been fever-free and symptom free for at least 24 hours without the aid of any fever-reducing medication.

Additionally, please contact Camp Olympia if you were exposed to any communicable disease within 7 days prior to your arrival. Upon arrival to camp, our medical staff will be screening for:

- Fever while a parent is present at camp
- Signs/symptoms of illnesses or injury
- History of exposure to communicable disease
- Head lice

If your camper is found to have head lice, you will be given the option to pick-up your camper for treatment, or we will treat them for lice at camp. You will be responsible for the cost of the lice treatment, which can be up to \$250 per treatment. **Please be proactive and check your camper for head lice before his/her arrival to camp.**

Please be aware that the incidence of bed bugs has affected the camping and hospitality industries. While we are proactive with inspections of our cabins, the possibility of bed bugs exists. We have an action plan in place for immediate extermination if they are detected or suspected. Keeping this possibility in mind, we recommend that families bag up campers' belongings for departure and, once home, wash all items and use the high heat setting on your dryer. If bed bugs are detected in your camper's cabin, you will be notified.

Please encourage your camper to follow good hygiene practices while at camp. Keeping hands clean is one of the best ways to keep from getting sick and spreading illnesses. It is important to wash hands with soap and water for 20 seconds. REMEMBER: If soap and water are not available, use an alcohol-based wipe or hand gel! There will be many available hand sanitizing stations around camp.

Additionally, we ask that you NOT share toiletry items such as hairbrushes, combs, toothbrushes, razors, and personal items such as hats and swimsuits.

FORM: CAMPER POLICY AGREEMENT

This form can be found in your Parent Portal or within the Companion app.

Please indicate through the online form that you have read and agree to this Camper Policy Agreement below.

At Camp Olympia, we're sold on the value of camping! The real life experiences that camping provides cannot be matched. As we offer a program promoting adventure, challenge, fun, and growth to people of all ages, we want to help teach our campers responsibility. In order to create a positive and fun community for all, campers must accept consequences for their choices and actions that can hinder the Olympia experience for other campers and staff members. **Any camper dismissed for disciplinary reasons will not be invited to attend camp the following year.**

The physical, mental, and spiritual growth of every person at Olympia is important. We want people to leave Olympia with more esteem for God, others, and themselves, and to feel positively challenged to work and plan for a successful life. Our program and facilities have been designed with the positive growth of people in mind. We want everyone who enters our "Positive Zone" to have a positive, fun, and memorable experience at Olympia.

Our Code of Conduct policies are important to help create a harmonious community where everyone is a part of the Olympia family. We believe that these policies will contribute importantly to producing a quality camp experience where your camper and others at camp can have an O-mazing summer. **Camp Olympia requires that every parent and camper thoroughly read, understand, and agree to abide by our camper policies.** It is important to discuss this agreement carefully with your camper(s). We consider signatures on this statement as acceptance of responsibility for campers to live by these standards at camp and for campers and parents to accept the consequences if the camper does not.

This Camp Policy Agreement is an online form that requires a digital signature from both the camper and parent. Please login to our website or the Companion app to access the online Camper Policy Agreement Form.

CAMPER POLICY AGREEMENT

CAMPER CODE OF CONDUCT AGREEMENT

1. I will not, at any time, be in possession of tobacco products, e-cigarettes/vapes, Juuls, drugs, alcohol, illegal substance or any weapons/knives. I understand that if any of these items are found on me or with my belongings that they will be assumed to be mine unless I can prove otherwise.
2. I will not, at any time, go into the cabin of the opposite sex for any reason whatsoever, nor will I go through cabin areas of the opposite sex without authorization from a counselor or staff member.
3. I understand that for my safety, it is important for a counselor to know my whereabouts at all times, and therefore, I will not leave my cabin group, cluster, activity or camp programs/events without approval in order to meet up with other campers.
4. I will keep myself from physical conflicts/fights at camp.
5. I will not be a part of any form of bullying (physical, verbal or relational), or racism/discrimination. (Bullying and racism covers a wide spectrum of actions and language, and it is Camp Olympia's discretion to apply appropriate disciplinary action based on the severity of a camper's involvement in any of these issues.)
6. I understand that profanity and vulgarity have no place at camp.
7. I will not damage Camp Olympia property or the property of others. This includes my cabin, cluster, and all other camp buildings.
8. I understand the Camp Olympia dress code and agree to abide by the guidelines in order to help prevent injuries or embarrassing situations. The dress code is as follows:

In keeping with a wholesome safe environment, we encourage all campers to wear well-fitted, appropriate clothes, shoes, and swimwear. Camp is a very active environment, and at times boys and girls will be participating together in activities.

Swimwear should provide complete coverage, fasten securely, and be designed for active wear. We encourage female campers to wear a one-piece swimsuit, however two-pieces are allowed if they have only one tie accompanied by another fastener. (Triangle bikini tops and bottoms that tie are prohibited.) Also, swim shorts are required when participating in lake activities such as blobbing, rocketing, and wakeboarding/waterskiing. Dark colored sports bras provide adequate coverage and support, and therefore, are acceptable tops for water activities. However, in all land activities, a tank-top or t-shirt needs to be worn by everyone.

Tank tops and sleeveless shirts should fit appropriately and not have large, gaping arm holes that hang down past a sports bra or to the middle of the ribs. Crop tops or other shirts that show one's midriff are not allowed. Shorts should be of a modest length. Closed-toe shoes are needed for all land activities, and lake shoes are recommended for our lake activities.

Our staff reserves the right to ask campers to change clothes or put on additional clothing if deemed not appropriate for the active, co-ed camp environment.

9. I understand that to fully appreciate the Camp Olympia experience, which involves interacting with my cabin mates and gaining independence, I will not bring my cell phone, Apple Watch, smart watch, iPad, tablet, Kindle, Nook or iPod with me to Camp Olympia. Camp Olympia has the right to take up these items if found, as they are not allowed at camp. If they are taken up, Camp Olympia does not assume responsibility for these items.

**I understand that there is one exception to this rule and that is if I am traveling to camp from the airport. I may travel with these items, but I'm required to turn them in once I arrive at Camp Olympia.*

10. I understand that it is a privilege to bring my digital camera to camp. With this privilege, comes responsibility in taking appropriate pictures. I will only take pictures during times that are deemed appropriate by staff, such as all camp events, and I will NOT take any pictures in the cabin or bathroom. I also agree that shooting any video with my camera is not allowed. I understand that using my camera in an inappropriate manner will result in my camera being taken up and returned on closing day and may result in my dismissal from camp. I also understand that filming video and/or bringing video cameras/ GoPros is not allowed at camp.

11. Finally, I understand that the consequences of not abiding by any of the above mentioned conduct standards may result in immediate dismissal from camp and jeopardizes the opportunity to return to camp in the future. In addition to these stated camper policies, I understand that I may be dismissed from camp for any conduct that negatively affects the camp experience for another camper or reflects unfavorably on Camp Olympia.

CAMPER POLICY AGREEMENT

SOCIAL NETWORKING POLICY

We have always taken the safety and well-being of our campers –your children– very seriously. After all, giving your children over to the care of other people is perhaps the greatest act of trust in which you as a parent can engage. We aim to do everything we reasonably can to earn and keep that trust. We also know we cannot do this without your help. With more and more children using the Internet, cell phones, and other technologies at younger ages, we appeal to you as parents to partner with us as child advocates to ensure that your children continue to have the safest, most wholesome childhood experience as possible. We would encourage you not only to consider the following in relationship to camp, but for your family as a whole since your children are exposed to a variety of people everyday.

At Camp Olympia, our pledge is to put your children in the company of the most trustworthy and appropriate young adults we can hire—counselors who are well-suited to the task of caring for campers. The effort we put into screening and selecting our staff is part of that pledge. During camp, our staff works with your child in the context of a visible, well scrutinized community that has many built-in checks and balances. Counselors are supervised by senior staff and are guided by clear, firm policies regarding behavior. Their actions are also visible to a community full of co-workers and campers. Our staff is hired for the camp season and is under contract at that time. After camp we cannot take responsibility for their off-season behavior since we cannot supervise it. It is the responsibility of the parent to interview and research any staff member if you want to hire him/her as a baby-sitter, nanny, or child companion outside of camp. We have great young people working at Olympia, but we want you to be an informed decision maker regarding contact between staff and campers outside of camp.

We recognize that campers and counselors develop close, trusting relationships with one another at camp and that these relationships are healthy, wholesome, and beneficial to campers and staff alike. We are aware that many campers will naturally want to keep in touch with their favorite counselors after camp. With new technologies and social networking capabilities, it is easy for campers to track down counselors outside of camp and to communicate with them. We want you as parents to be aware of this.

Therefore, our recommendation is simply for you as parents to be aware of your child's online activities, including social media (Facebook, Twitter, Instagram, Snapchat, TikTok, etc.), instant messaging, video websites (ex., YouTube), apps and email. Also, be aware of phone activities including calls, text messages, and video chats through Zoom and other services. Supervise your child's phone and computer use as you would any other aspect of his/her life in your home. Likewise, we request that you as a parent or legal guardian talk with your child about what contact information you would allow them to exchange with a camp staff member or other campers. In sharing contact information with a staff member or camper, you understand that you accept full responsibility for overseeing whatever contact occurs as a result.

We want to partner with you, the parent, in keeping children safe by being proactive in communicating our policies and offering advice on how to address this important topic with your child.

The proposed program by AEI Base Camp requires participation in physical activities, which are, by their nature, physically demanding. Many of the activities as well as being at high altitude will challenge you, both of which can cause surges in blood pressure and heart rates. It is also imperative that you are free of any heart related or other diseases. Therefore, all participants must be free of medical or physical conditions, which might create undue risks to themselves or any others who depend on them. Good physical condition will increase your enjoyment of the outdoor activities. **As required by the State of Colorado, participants under the age of 18 must submit a statement confirming a physical examination within the last 12 months by a physician or nurse practitioner.**

FORM: ACKNOWLEDGEMENT OF RISK, RELEASE, AND WAIVER

ACKNOWLEDGMENT OF RISK, RELEASE, and WAIVER ("WAIVER")

Please read this Waiver carefully. Any and all observers and/or participants of Adventure Experiences, LLC (DBA AEI Base Camp and AEI Outfitter) ("AEI") activities (collectively, "Participants") must sign this Waiver. In the case of a minor Participant (any person under 18 years of age) ("Minor"), the Minor and his/her Parent or Guardian (collectively, "Parent") must both sign this Waiver for the Minor. In such a case, "I" refers to both the Minor and the Parent. Where a Parent signs on behalf of a Minor, the Parent does so on their personal behalf and on behalf of the Minor. Additionally, the Parent must also sign their own separate Waiver.

Agreement to Participate: Including Assumption of Risks and Agreements of Release and Indemnity

In consideration of being allowed to stay on the AEI premises in Almont, Colorado ("Property"); participating in any activity on the Property, a trip organized by AEI and/or its partners, and/or any other activity in association with AEI regardless of location (collectively, "AEI Activities"); and/or observing any AEI Activities, I acknowledge that I have read and understand each term included in this Waiver. I agree to all of such terms as evidenced by my signature below.

To begin with, I understand that I am waiving certain rights. And, by waiving such rights, I am relinquishing them such that I cannot exercise or use such rights in the future. I will not be able to sue AEI for injuries to my person or property on the Property or arising from either my participation in or observation of AEI Activities.

The adventure experience in which I will participate may include backpacking, camping, orienteering, hiking, rafting, kayaking, paddle boarding, challenge course activities (a network of cables, ropes, swings and platforms, as high as 50 feet off the ground, over which I may walk and swing, with or without the assistance of other persons), rock climbing, fly fishing, horseback riding, outdoor games, and other activities. These activities involve risks and hazards including, among others, those associated with traveling and camping in mountainous terrain; exposure to the natural elements, which may include heat, extreme cold and altitude, snow, sleet and rain, falling rocks and timber; river or water crossings; accidents arising from fishing in streams, lakes, or other bodies of water, including boating accidents, loss of footing while wading or fishing from shore, cold water immersion and drowning, and injuries caused by fish hooks and other implements; dependence on other participants and staff; contracting a disease, virus, or illness from AEI staff and/or other clients or visitors; accidents or illness in remote places which may be many hours or days away from medical facilities; accidents associated with travel, whether by air, train, boat, ATV, horse, automobile, or other form; the carelessness of other participants and staff; and the failure of equipment. These and other risks and hazards are inherent in AEI Activities and cannot be eliminated without significantly changing the nature of the activities. I understand that these and other hazards and risks may result in personal injury, including, but not limited to, falls, abrasions, sprains, breaks, cold water immersion, puncture and other wounds, other emotional and physical injuries, and, in extreme cases, even death, including by drowning. These and other hazards and risks may also result in loss or damage to personal property.

It is my responsibility, and mine only, to determine my suitability, medical or otherwise, for participation in AEI activities. This includes determining whether I have any medical reason preventing or that should prevent my participation in any AEI Activity. I acknowledge that AEI and all of its representatives are in no position to determine whether I am capable to participate in any specific AEI Activity. For a Minor, the Parent must make this final determination after consulting with the Minor. The responsibility for this determination remains with the Parent.

Understanding the foregoing, I represent that I am completely healthy (both physically and emotionally) and capable of participating in any AEI Activities. I further represent that I have no medical or emotional conditions which may adversely affect my participation in any AEI Activities, or which may cause me to be a danger to myself or others. I have listed on the AEI Health History Form any and all medical conditions of which I believe AEI should be aware. I understand my participation in any AEI Activity is completely voluntary and based on my decision to do so. I also understand that I may choose not to participate at any time.

Acknowledgment and Assumption of All Risks

I assume all risks of being present on the Property as well as observing and/or participating in AEI Activities. This assumption of the risks include all activities on the Property, coordinated and/or operated by AEI, and/or otherwise related to AEI, whether inherent or otherwise, and whether or not specifically described herein.

Agreements of Release and Indemnity

I agree to release and hold harmless AEI as well as its shareholders, directors, officers, employees, agents, contractors, strategic partners, and any other party associated with AEI ("AEI Parties"), individually and collectively, from any and all claims which I may now have or acquire in the future, including claims of negligence, as a result of or arising from my presence on the Property, enrollment or participation in any guided or unguided AEI Activities; and/or, observation of any AEI Activities. This Release does not extend to gross negligence or intentional, willful, and/or wanton misconduct (whether by an act or omission).

I further agree to defend, protect, hold harmless, and indemnify any AEI Parties, individually and collectively, from any claim brought against AEI Parties by any third party including, but not limited to, rescuers, other participants in AEI Activities, members of my or the child's family, and/or any other member of my party, arising from my conduct or that of anyone under my supervision while present on the Property and/or enrolled, observing, or participating in any AEI Activities or other activities, whether supervised or unsupervised, guided or unguided. This includes payment of any settlement, judgment, and/or all reasonable defense costs that include, but are not limited to, attorney's fees, paralegal fees, costs, and expenses. Defense costs would be due as incurred.

Other

In the event of a dispute between me and any AEI Party, I agree to first engage in good faith efforts to mediate that dispute prior to filing any arbitration or litigation. Unless otherwise agreed in writing, any mediation or suit shall be filed and conducted only in Gunnison County, Colorado, and the laws of Colorado will apply to any such dispute.

In any lawsuit brought against any AEI Parties by me, the prevailing party shall be awarded their legal fees including, but not limited to, attorney's fees, paralegal fees, costs, and expenses, against the non-prevailing party.

Should any term of this Agreement be deemed unenforceable by a Court of competent authority, the remainder of the Agreement shall nevertheless remain in full force and effect. Further, a Court may modify any unenforceable term to make it enforceable.

In the event of an incident requiring medical attention, I authorize AEI to provide or obtain medical care for me and any Minor for whom I am signing. I further authorize AEI to exchange with any third-party medical care provider any and all relevant medical (eg any medical history or conditions) and personal information about me.

I agree that I will not consume or be under the influence of any chemical substance, including alcohol, during any AEI Activity. I agree to and shall follow all safety instructions.

I agree to allow AEI to use photographic or other images of me or the Minor for marketing or any other purpose deemed reasonable by AEI.

FOR THE PARENT: Where I, as a parent or guardian, sign on behalf of a Minor, I represent that (a) I read and discussed the foregoing statements and risks to the Minor; (b) the Minor understands the statements and risks; (c) the Minor agrees to each of the foregoing statements; and, (d) with this knowledge and understanding, the Minor wishes to participate. In the context of this Waiver, I understand that "I" in this context includes both me and the Minor. The Minor has signed below to reflect his or her understanding of the activities and risks, assumption of them, and desire to participate.
